# Quality Personnel wins awards

Quality Personnel, a leading employment agency in the industrial and clerical sector in Columbia, announced recently they have won ClearlyRated's Best of Staffing@ Client and Talent Awards for providing superior service to their clients and placed talent.

Presented in partnership with CareerBuilder, ClearlyRated's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings by their clients and the candidates they've helped find jobs.

On average, clients of winning agencies are 2.2 times more likely to be completely satisfied, and candidates who have been placed by winning agencies are 1.7 times more likely to be completely satisfied with the services provided compared to those working with non-winning agencies. Less than 2%

of all staffing agencies in the U.S. and Canada have earned the Best of Staffing Award for service excellence.

"The management and staff at Quality Personnel work very hard to provide an excellent service to both our clients and our talent. Our number one priority is to Make People Matter Most!", Quality Personnel's President Connie Harris said.

"In today's historically tight labor market, hiring managers and job seekers need a clear and reputable way to vet potential staffing and recruiting partners," said ClearlyRated's CEO Eric Gregg. "Best of Staffing winners have set themselves apart by demonstrating their commitment to client and candidate service, investing in a survey and feedback program that brings transparency to the client and talent ex-

perience at their firm. I'm thrilled to showcase these service leaders alongside their validated client and talent ratings on ClearlyRated.com!"

With over 42 years of experience, Quality Personnel is a proven leader in the staffing industry.

Quality Personnel's Corporate Office is located in Bowling Green, Kentucky and we have 6 branch offices in Kentucky. The company also service Tennessee, Virginia, Georgia, Illinois, California and Vermont with Vendor On-Site Locations.

ClearlyRated (formerly known as In-avero) administers more staffing agency client and talent satisfaction surveys than any other firm in the world, reporting on more than 1.2 million satisfaction surveys from staffing agency clients and job seekers each year. Committed

to delivering ongoing value to the industry, ClearlyRated is proud to serve as the American Staffing Association's exclusive service quality partner. Learn more at ClearlyRated.com/Solutions

ClearlyRated's Best of Staffing@ Award is the only award in the U.S. and Canada that recognizes staffing agencies that have proven superior service quality based entirely on ratings provided by their clients and job candidates. Award winners are showcased by city and area of expertise on ClearlyRated.com - an online business directory that helps buyers of professional services find service leaders and vet prospective firms - based exclusively on validated client and talent ratings and testimonials.

# HMH

From page 1B

"Family medicine is the continuity of care, and being able to care for people of all ages... from when they are kids to becoming adults in a community where we can provide their health care needs is so important."

LaRue County Judge-Executive Tommy Turner was on hand for the open house and expressed his appreciation for HMH's investment.

"HMH's new facility is a welcomed addition to the LaRue County Community," Turner said. "We applaud them for bringing expanded healthcare services to our doorstep." Hodgenville Fam-

ily Medicine is open Monday-Friday, 8 a.m. - 5 p.m. To schedule an appointment, call 270-979-3241.
