MEET THE LADY DRAGONS

Comments by Coach Chris Blaydes

#23 Summer Scott

Summer is one of the hardest working players on the team. Summer practice and plays extremely hard and brings everyone else's energy level up. Summer is still learning to slow down on offense while still playing with reckless abandon on defense. Summer is working hard to become a better outside shooter.

#23 Allie Burris

Allie has made great strides from where she started in middle school to the end of the season. Allie has a nice outside shot that is only getting better as she gets stronger. Allie is still learning to play more physical as she is playing with bigger players. Allie is a good rebounder that can go get rebounds out of her area and has some nice post moves.
