The girls' team winner was Green County with 130 points; Adair County placed second with 92.

For the boys, Green County won as a team with 122 points; LaRue Coun-

ty finished runner-up with 89.

"First, I'd like to thank all the volunteers for their incredible efforts that allowed us to move the meet back a day to avoid Thursday's severe weather. This meet would not have happened without them," said Head Coach Dan Knoy.

"I was really proud of both teams for winning their divisions. While a lot of coaches were talking about not being in shape yet,

we were able to compete very well thanks to our indoor training. It will take a couple of weeks for us to get acclimated to the outdoor track routine, but they showed plenty of promise in our first meet. We have some very focused athletes this season and we see good improvement every week."

Green County will compete tomorrow in the Reverse Rumble in Elizabethtown.
