

Laughing nonstop, Dennis Rose and Bobby Landis roll down the bounce house slide. Seniors and their guests enjoyed laughter and games until the wee hours of Saturday morning during Project Graduation.

Trying his luck on a tee ball game, Jason Wright attempts to hit the ball off the air tee into a higher scoring hole.

Dakota Cundiff keeps the ball in the air during a game of spike.

Project 2019 Graduation

Making sure she wins her money during project graduation, Hallie Griffiths hunts down assistant principal Hunter Jackson for a quick dance. Seniors had the opportunity to win money throughout the evening at a variety of different games. Through six weeks of non-stop parent fundraising, the total raised was over \$25,000.

A game of Frisbee cleared out the middle of the gym. Dalton Green passes the Frisbee to a friend.

Showing off wrestling moves, Dawson Moran flips Jeremy Bailey over in one of the bounce house arenas. The gym was filled with bounce houses Friday evening during project graduation.

Project graduation parent volunteers and guests enjoy laughter and entertainment during the early hours of the event.
