"This season has been so much fun," said Houk. "My favorite memory from this tournament was one of the coaches, Brandon Davis, saying that he could kick it farther than I could hit it."

Houk proved his coach wrong with his home-run.

The second round, July 5, the Dragons took a six run lead and ended the game with a 14-8 win over the Cumberland County Panthers.

The Dragons returned to Edmonson County Saturday, July 6 for another duel against the Panthers for the District Champion title.

The 12U Dragons started their batsswinging early and racked up 13 total runs. The previous fast-paced practices the 12U coaches held leading up to the tournament proved a success when the defense stopped, caught and spoiled many offense attempts by the Panthers.

The game ended with the Dragons winning 13-2 and being named District Champions.

Head coach Matt Squires was very pleased with his 12U team.

"The boys played really well," said Squires. "Everyone on the team contributed; I am very excited to move onto the State Tournament and see if we can make some noise in Scottsville."

The 12U Dragons will travel to Scottsville for the Cal Ripken State

Tournament. Game dates and times will be announced in the near future.
