## Hosparus Thrift Shop benefits area

**HOSPARUS**  
SPECIAL TO THE R-H

Everyone loves to score a great bargain. Did you know that shopping at the Hosparus Health Thrift Shoppe not only saves money, it also makes a difference in the lives of friends and neighbors?

Hosparus Health has been providing hospice and palliative care for more than 40 years. We're proud to have served more than 400 patients and their families in Adair, Green, Marion, Taylor and Washington counties in 2018. Our services include medical care, grief counseling, pain management, advance care planning and more. Our entire focus is on providing compassionate, high-quality care to patients and families so they can experience the best possible quality of life for as long as possible. We are also a true nonprofit — thanks to our generous donors, we care for anyone who needs us, regardless of their

ability to pay. We understand that many families who have been touched by our services want to give back in some way, but they may not want to work directly with patients. At our Thrift Shoppe, located at 1488 Old Lebanon Road, Suite B, in Campbellsville, shoppers can get high-quality, gently used clothing and home goods at an affordable price, plus they can feel confident that the money they spend is going directly to families dealing with serious illness in their community.

Or, if you prefer to purge your closets, attic or garage rather than add to your collection of "stuff," our Shoppe is always accepting donations. Unlike for-profit secondhand stores, we don't sell anything on consignment — every single item has been generously donated. Not everyone can afford to write a check or buy tickets to a fundraising event, so donating clothes, household

accessories and furniture you no longer need is a great way to give back in a meaningful way.

The success of our first Hosparus Health Thrift Shoppe in Elizabethtown prompted us to open the Campbellsville store in 2017. We found that people from the Green River area were driving all the way to E-town, so we knew there was a big demand for a store like ours. The Shoppe has raised over \$1 million for patients and families since the E-town location opened in 1992.

Every dollar spent at the Shoppe goes directly to help patients and families who might not be able to afford Hosparus Health's services otherwise.

If you don't want to buy or donate items, there's yet another way you can support the store — by giving the gift of your time as a volunteer. The Hosparus Health Thrift Shoppe depends on about 23 volunteers to keep it running smoothly. They help

with receiving, sorting and pricing donations; placing and straightening items on the sales floor; and assisting customers.

The continued success of our Shoppe would not be possible without the generous support of our community. If you haven't already, we invite you to stop in and see us Monday through Friday between 9 a.m. and 6 p.m. ET.

We're also pleased to make it easier than ever to support our patients and families with a furniture donation. Our van is available to pick up large items such as sofas, dining sets, china cabinets and more. Just call 270-469-9909 to schedule a pickup.

For upcoming sales and more info, find us on Facebook at <https://www.facebook.com/ThriftShoppeCampbellsville/>.
