

Students attend nursing camp

Photo submitted

Kiley McCubbins and Chloe Dicken, both Green County High School students, attended the first ever Campbellsville University T.E.N. (Teens Exploring Nursing) camp July 15 and 16 at Campbellsville University. The camp allowed those interested in the medical field to learn about the CU Nursing program and to get an inside look on what it is like to be a nursing student. Some of the activities of the camp included: Air Evac and flight nursing, simulations that consisted of scenarios with choking and vital stats, correct use of personal protective equipment, and a number of guest speakers.

Higher education booklets for freshmen, sophomores online

Two booklets that can help Kentucky high school freshmen and sophomores prepare for technical school or college are now available online.

“Getting Started” and “Getting Set” are updated each year by the Kentucky Higher Education Assistance Authority (KHEAA) and posted on www.kheaa.com.

From the Students section of the website, click on the Other Resources button, then Publications, then College Planning. From the Families section, click on Publications, then College Planning.

KHEAA is the state agency that administers the Kentucky Educational Excellence Scholarship (KEES), need-based grants and other programs to help students pay their higher education expenses.

In addition, KHEAA disburses private Advantage Education Loans for its sister agency, the Kentucky Higher Education Student Loan Corporation (KHESLC). For more information about Advantage Education Loans, visit www.advantageedu-

culationloan.com.

For more information about Kentucky scholarships and grants, visit www.kheaa.com;

write KHEAA, P.O. Box 798, Frankfort, KY 40602; or call 800-928-8926, ext. 6-7214.

Advance registration at local schools

Photos by Crystal Cecil

Green County Intermediate School Secretary Allison Griffiths helps Linda Buckner register granddaughter, Kora Whitlow, at the advance registration event Monday and Tuesday at the school. “Early registration is a great opportunity to get a head start on the important forms needed to assist in meeting student needs throughout the year,” Principal Donna Young said. The GCIS Back-School Fest is set for Monday, July 29. The festival will begin at 4:30 p.m. CT for third grade students. Fourth and fifth grade will begin at 5:30 p.m.

The Green County Primary School Computer Lab was packed Tuesday just after lunch with parents and guardians taking advantage of advance registration. The GCPS Back-to-School Festival will be held Tuesday, July 30 from 5 to 7 p.m. Kindergarten begins at 5 p.m. First and second grades begin at 6 p.m.

Our team of cancer experts keeps growing.

William Porter, M.D., Radiation Oncology

Dr. Porter, a Louisville native, graduated from Hampton University, the University of Kentucky and then from Chicago Medical School at Rosalind Franklin University. He completed his Residency at the University of Cincinnati Medical Center, and he is a Diplomate of the American Board of Radiology. Most recently, Dr. Porter was Medical Director and Radiation Oncologist at two regional hospitals.

We are proud to welcome Dr. Porter to our team of highly skilled advanced practice clinicians (APCs), physicians, and oncology-certified nurses.

From screenings to diagnosis, to treatment, reconstruction and survivorship, HMH has a comprehensive cancer care team providing advanced care right here at home.
