

GCPL encourages sign-ups for Library Card Month

By GCPL

This September, the Green County Public Library is joining the American Library Association (ALA) and libraries nationwide for Library Card Sign-Up Month, a time to remind parents, caregivers and students that a library card is the first step towards academic achievement and lifelong learning. A library card opens a world of infinite possibilities through resources and services that give students the tools to succeed in school and beyond. From STEAM (science, technology, engineering, arts and mathematics) programs, to

family story times, libraries transform lives through education. During September, the Green County Public Library is giving away a Kindle Fire 7. Those who sign up for

a new library card will be entered in the drawing, as well as those who already hold a library card and come in to update their information. Since 1987, Library Card Sign-Up Month has been held each September to mark the beginning of the school year. During the month, the ALA and libraries unite in a national effort to ensure every child signs up for their own library card. For more information about how to sign up for a library card, please visit the Green County Public Library in person or online at www.gcpl.info.

Tonight in concert...

The Dove Award winning band from Dallas, Texas has been performing since 1996. Their name comes from Genesis 2:2 where it is recorded that God rested after having created the world. Their most recent album, Closer to Chaos, was released at the very end of May, 2019. Nathan Sheridan is also performing as part of the Small Town Wor-

ship Tour 2019. Much of his music is of a personal nature which reflects the death of his sister when he was only six years old. Sheridan was also raised by his grandparents due to difficult family circumstances and this greatly influences his music and ministry. He has been performing since 2017 when he filled in with the Small

Town America Tour. Less than a year later, he began his first cross-country circuit. Doors will open at 5:30 p.m. CT and the concert begins at 6:30 p.m. Tickets are only \$10 each and groups of ten or more are charged only \$5.00 each. Green River Live is located at 227 William E Lobb Drive, just off Highway 61 in Summersville.

McDowell has a connection to Green County that not a lot of people know. According to Lannie Hardin, one of the key people in Green River Live, McDowell's great-great grandfather was Ephraim McDowell, who performed surgery on Jane Todd Crawford. For the first time in medical history, he successfully

performed a surgery that had not been done before, removing an ovarian tumor from her. Crawford had traveled from Green County to Danville to have the surgery which was done without anesthesia. Also, not many people know that Ronnie McDowell is an artist. He is bringing several paintings with him

to the concert Friday night. He has also done some art work for Disney. Tickets for the concert at Green River Live range from \$15 up to \$40. The doors open Friday night at 6 p.m. CT and the show starts at 7 p.m. CT.

Civil War re-enactment
