John Hardin vs. Moore

Blake shows a very well rounded skill set for both offense and defense. He is an athletic kid who possesses a toughness and vision that will benefit both sides of the ball and also special teams. He has worked hard and will result in him hitting pay dirt in a variety of ways.

Cade is another newcomer to football and has hit the ground running. He has worked hard in the weigh room, been coachable, keeps a great attitude and has done well at learning the ins and outs at WR and defensive back. He has unveiled an intensity that has him getting stronger.

Layke put in great efforts in the weight room during the off season. He wants to be coached, wants to learn, wants to do it the right way and has done a great job in understanding the offensive blocking schemes and has put himself in the position for varsity contributions.

Customer satisfaction is our #1 priority.
