

2019 Football Homecoming

Photos by Dale Curry

Green County High School celebrated homecoming last week. Pictured are Noah Wright, who escorted this year's Homecoming Queen, Kylie Jackson; last year's Queen Emma Howell, escorted by Cade Kessler and first runner-up, Hailee Scott, representing FFA, who was escorted by Brice Matney.

Parrott claims second tourney victory for CU

CU ATHLETICS

In a span of five days, freshman Gracie Parrott has claimed her second tournament victory coming from behind to win the Bill Bockwitz Spring Arbor University Fall Classic.

Parrott and the Lady Tigers played 36-holes on Monday and she sat in a tie for second place with scores of 75 and 67. The 67 matches her career-low which was set last week at the NCCAA Mid-East Region. In the final round, Parrott fired a two-under 70 to jump Taylor University's Nicole Jung on the leaderboard winning by two strokes.

Gracie Parrott

The consecutive victories have happened only three times in program history as fellow Green County product Cassidy Scantland won back-to-back tournaments in April 2014 and Lauren Scholl won a pair of tournaments in 2006.

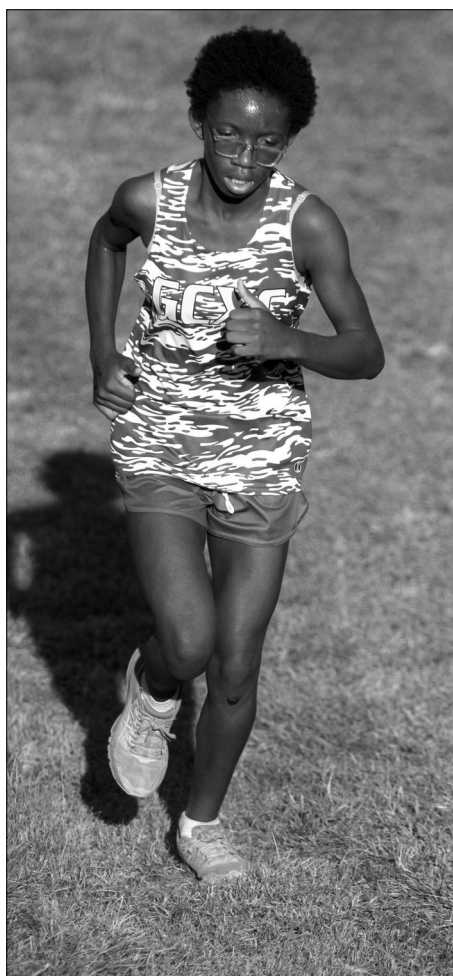

With the two victories, Parrott still has a way to go to match Scantland's six wins during her rookie season. The two wins now rank her fifth in program history with the most victories in a career.

Behind Parrott on the leaderboard was

fellow freshmen Abigail Coffey and April Houk. Coffey finished in 11th place with scores of 74, 77, and 81. The 74 matches her career low during the first-three tournaments. Houk shot 84, 87, 83 to finish in 29th place.

CU will now have a little less than a week to prepare for the first of three Mid-South Conference events on the year. The Lady Tigers will play in the MSC Fall Championship on Monday-Tuesday, Oct. 7-8 at Gibson Bay in Richmond, Ky.

GCMS XC run well

Photos by Angelina Alcott

A fifth place individual finish for Keegan Zulager Thursday with a time of 12:37. The middle school had a number of personal bests on the team despite the brutal temperature.

Jewell Hines pushes up the hill Thursday afternoon in the middle school cross country meet at home. Hines placed fourth overall with a time of 14:32. The Lady Dragons swept the meet with the first six runners finishing the race.

Due to the early deadline, more sports photos, Senior Night and Homecoming activities will appear in next week's Record-Herald.

County clean-up

Photos by Angelina Alcott

The Green County boys and girls cross country teams teamed up last Monday to pick up trash along county roads in Green County. Green County Judge Executive John Frank's office allowed the teams to pick up trash for cash so while they cleaned up the community they also were able to earn a donation for their teams.

# Green County Farm Bureau
