GO Dragons!

He has put a lot of days in the weight room and continues to get stronger. He shows tons of potential in a variety of ways. He's more athletic than he realizes and when those two places get more closely aligned he will be an indispensable teammate and player

Harley has been one of the hardest workers during the off season and pushing it in practice. He doesn't take plays off. He is strong and he is fast and we will look to use him from the DL-LB on defense and RB-End on offense. He's a guy that can help in a variety of ways.
