The Exie Boys provided the musical entertainment Saturday evening during the Exie Fire Dept. annual fundraising event.

## Letter to the Editor

### Exie success

#### To the Editor:

The Exie Fire Department would like to express their appreciation for the hard work of each and everyone that helped with our annual dinner and auction. Thanks go to each person that brought in an item or baked goods to auction, donated money or prepared the food. Thanks to the Exie Boys for providing music and

equipment. Special thanks to Sean Curry and Winston Boils for donating their expertise and time to auctioneer this event.

Also, we want to thank the businesses in Green County and the surrounding areas that were so willing to donate or supply an item for the auction.

We also express our gratitude for the faithful people that attend each year and make our auction a huge success with their purchases and donations.

We also want to thank the Woman's

Auxiliary for their devotion and help.

Sincerely,  
Exie FD
