Green County High School's volleyball team continued their district dominance when they won the 18th District title again last week, giving Coach Donnie Jagers his third championship as Green County defeated LaRue County 3-2.

The Dragons had defeated Caverna 3-0 in the first round of the district to advance to the championship.

Since 2003, the year that volleyball was expanded in the state and Green County moved to the 18th District, the team has

won the district every year, with the exception of 2017 when they finished runner-up.

Also, since 2006, the only two teams who have advanced to the region from this district have been Green County and LaRue County.

In last week's championship game against the Hawks, Green County dropped the first set 19-25 but recovered to win the second one, 25-19.

The Dragons moved ahead in the match by winning the third set 25-21 to go up 2-1. In the fourth set, Green County opened up an early lead only to see LaRue fight back

and eventually win the set 26-24, which sent the match into the fifth and deciding set.

The lead changed hands several times before Green County pulled out the win 17-15, claiming the district championship.

This was the fourth time that Green played LaRue during the season. During the two regular season district games, Green won each match three games to one and during the Capital City Classic in Frankfort, Green defeated LaRue 2-1.

The Dragons advanced to the Fifth Region Tournament last night at Thomas Nelson High School, where they met Central Hardin, a team that the Dragons have drawn for the opening game two of the last three years.

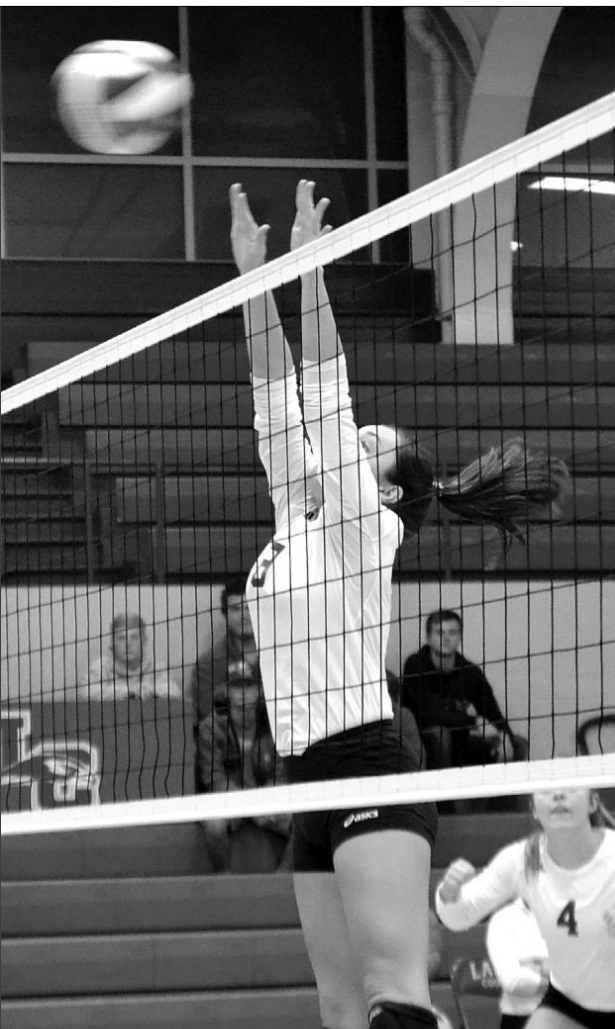

Green County last won the 5th Region Tournament in 2014 but since then, have only advanced past the first round one time and that was in 2015 when they lost to Central Hardin in the semi-finals.

Players on the bench are heavily invested in the game in the district championship.

The Dragons' volleyball team celebrate a big point against LaRue County in the championship of the 18th District Tournament at Hodgenville last week.

Lilly Squires, a GCHS junior, sees a lot of net action during the district tournament.
