The Greensburg City Council, in a regular called meeting Monday evening, adopted and approved a resolution between the Department of Rural and Municipal Aid, Kentucky Transportation Cabinet, and the City of Greensburg to accept funds totaling \$100,000 to be used for infrastructure projects, including city roads and streets.

"The resolution approved by the Council is a prerequisite for the disbursement of Rural and Municipal Aid funds," said Greensburg Mayor John Shuffett. "We are excited about the upcoming projects, and appreciate so much the efforts of Rep. Brandon Reed in helping us secure this funding."

## Deer hunting is in full force; stay safe this season

Hunting is a thrilling hobby for millions of people across the globe. In fact, non-hunters may be wide-eyed to learn just how popular the sport is.

A recent report from the U.S. Fish and Wildlife Service found that 11.5 million Americans participated in hunting in 2016. Many hunters spend a lifetime hunting without ever suffering an accident or injury. However, hunting can be a dangerous sport, which only highlights the need for hunters

to emphasize safety at all times.

### Firearms

It's essential that hunters exercise caution with their firearms at all times. Firearms should always be considered loaded, even when they're not. This approach should apply while hunting and while at home. Maintaining such a mindset can help hunters avoid dangerous, potentially deadly mishaps should they mistakenly believe a firearm is not loaded

when it is.

When hunting, only point the firearm when you plan to shoot, making sure to keep your finger off the trigger until you're ready to shoot. Only shoot when a target is clearly identifiable and you're certain about what is beyond the target.

### Weather & gear

The right attire can protect hunters from Mother Nature and their fellow sportsmen. Weather can be unpredictable during

hunting season. Hunters should always check the forecast before leaving home, making sure to dress for the weather. Even if the forecast calls for agreeable weather, hunters could be at the mercy of Mother Nature should the weather unexpectedly change. As a result, it behooves hunters to prepare for cold, wet weather, which could put them at risk of hypothermia if they are not dressed properly.

## Making Christmas Brighter

Photo by Walt Gorin

Rotarians gathered around Sunday afternoon at Forcht Bank as Mitchell Wright, left, and Bill Moore broadcasted the current bids during the Christmas auction on K-Country and Facebook. Bids for the 110 donated items and donations totaled \$6,186. Rotarians will be purchasing and wrapping the gifts which will be distributed through the Green County Family Resource and Youth Services Centers to make Christmas brighter for less fortunate kids. Anyone who would like to make a donation may stop by Forcht Bank or call the office of Nancy J. Stearman CPA, at 270-932-3284. Members of the Greensburg Rotary Club also accept donations. There are no administrative costs so the entire amount raised each year goes to help kids. Rotarians were assisted Sunday by personnel from the Family Resource and Youth Services Centers and the GCHS Rotary Interact Club. More photos are on page 10A.
