### MCSO Air One, K-9 Assist in Arrest of Grand Theft/Kidnapping Suspect

Tuesday night, the Ocala Police Department worked a call for service at the CVS on SW 27th Avenue in reference to a man who had just stolen a truck that had a 6-year old sleeping in the back seat.

The suspect, Drhyromi Q'Jave Maxwell (DOB: 12/28/1994), abandoned the 6-year old near the Krystal's on State Road 200 but still had the truck in his possession. OPD officers recovered the child, who was safe, and they began searching for the stolen vehicle.

Later on in the evening, OPD located the truck in the area of MLK Blvd., and began a pursuit. MCSO joined in to assist and the pursuit eventually went into MCSO's jurisdiction.

Maxwell eventually exited the truck and fled on foot at NE 170th Avenue and Highway 314. Air-One was able to direct units to Maxwell's location, and he failed to heed K-9 apprehension warnings from MCSO K-9 Deputy Matthew Bowers. Subsequently, K-9 OTOW apprehended Maxwell who is now being charged with multiple felonies.

This is such a great example about how the OPD and MCSO work together to get the job done!! Excellent police work done by everyone involved...MCSO says it is always a pleasure to assist our brothers and sisters in blue!

### MCSO Deputies Bust "One Stop Shop" Drug Dealer...Again

On Friday, March 15, 2019, MCSO Deputy Steven Struble observed a gold Ford Explorer traveling west on SW Beach Blvd. and observed the driver to be Carl Bruce Harris (DOB: 07/20/1990), who he knew to have a suspended driver's license. Upon seeing Deputy Struble, Harris turned on Kingfish

Blvd. and accelerated rapidly. The defendant came to a stop in the front yard of a home located at the 20000 Rainbow Lakes Blvd., where Deputy Struble observed Harris purposely lock the keys in the vehicle as he got out of it. K9 Deputy Tim Fretts responded and utilized K9 "Robo" to conduct a free air sniff of the exterior of the Explorer, at which time K9 "Robo" alerted to drug odor coming from the vehicle. Harris stated that there were two firearms inside the vehicle. Based on this statement and the defendant's extensive history for trafficking illegal drugs and dealing in stolen property, Deputy Struble obtained a search warrant for the vehicle. Upon the execution of the search warrant, the following items were discovered inside: two firearms, \$3,395 in US currency, 35.15 grams of methamphetamine, 3.65 grams of heroin, 14.25 grams of LSD, .8 grams of cocaine, 75.75 grams of marijuana, 22 gabapentin pills, 36 clonazepam pills and three alprazolam pills. Harris was charged with Driving While License Suspended or Revoked, Armed Trafficking in Methamphetamine Over 28 Grams and Under 200 Grams, Possession of a Hallucinogen (LSD) With Intent To Sell, Possession of Heroin with Intent to Sell, Possession of Marijuana with Intent to Sell, Possession of Cocaine with Intent to Sell, Possession of a Controlled Substance without a Prescription and Possession of a New Legend Drug with Intent to Sell.

If Harris looks familiar to you, that's because he's been arrested for the same activity before. Here's the video and full story: <https://www.facebook.com/mcsosouthflorida/videos/488602431649462/>
