

DOVE Award given to sports information manager, Chapman

Special to *The Clinton Courier*

Clinton High School teacher Robert Chapman wears a lot of hats.

Chapman oversees sports information for the Clinton Public School District and works with his students to provide live stream video of games and activities.

"Mr. Chapman always goes above and beyond to make my son feel important," said parent Venetia Miller. "He teaches my son all about live streaming in a way that promotes my son's professional development and enjoyment."

Chapman is the recipient of the Clinton Public School District's Dedication of Our Valued Employees, or DOVE, customer service award for the month of December. He was recognized at the January school board meeting at Central Office.

As a DOVE Award winner, Chapman will receive gift cards from Cock-of-the-Walk restaurant, Playtime Entertainment and Chick-fil-A of Clinton.

"Mr. Chapman always encourages my son to exercise his technological skill by providing him opportunities to assist with filming and live streaming

of school activities," Miller said. "Not only does he encourage my son in extracurricular interest of media and technology, but he supports my son's academic progress, as well."

The DOVE Award is given each month during the school year to an employee who demonstrates excellence in customer service with students, parents and the community. A five-member DOVE award selection committee chooses each winner from a pool of nominations.

Anyone can nominate a CPSD employee via the online form on www.clintonpublicschools.com. DOVE Award recipients will be formally recognized at school board meetings, on district announcements and in *The Clinton Courier*.

Bridge on Williamson Road closed for repairs

Special to *The Clinton Courier*

Following an inspection by the Federal Highway Administration on January 25, the City of Clinton was informed that the Williamson Road bridge over Straight Line Fence Creek approximately three quarters of a mile west of Clinton-Tinnin Road in Clinton must be closed to all traffic.

Clinton Public Works placed "bridge closed" and "detour" signs on January 25 to prevent use of the bridge by motorists.

Residents living west of the bridge closure may use Williamson Road to Northside Drive to access the city. Residents living east of the bridge closure may use Clinton-Tinnin Road to access the city.

Following the most recent inspection, it was determined that the bridge was deficient and would need to be closed for repairs.

"We regret the inconvenience this closure will have on our residents and visitors, but the safety of our motorists is the top priority," said Clinton Mayor Phil Fisher.

"City engineers and road crews are working to design repairs for the bridge to minimize the length of the closure."

For updates on the closure, visit the City website at www.clintonms.org/roadclosures or www.facebook.com/clintonmiss.
