

### Burchfield serves as page for House

Special to The Clinton Courier

Sydney Burchfield (left) recently served as a page for the Mississippi House of Representatives. Pages generally run errands for officials and House staff. Burchfield is the daughter of Tiffany and Brian Burchfield and attends Sumner Hill Junior High. Pictured with Burchfield is her sponsor for the week, Speaker of the House Philip Gunn. "I really enjoyed my week at the Capitol," she said. "I learned a lot about how the legislative process and our government works. I am very appreciative to Speaker Gunn for allowing me to have this opportunity."

"I've known Shelly personally for over 5 years. When I decided I wanted to look into buying a house, Shelly was my natural choice because I knew she wouldn't lead me wrong. She not only helped me through the process like it was a walk in the park; she showed me that she knows real estate inside and out like nobody I've ever met before. Shelly GREATLY EXCEEDED my expectations in a realtor and I got to know how talented she really is in the real estate world.

Her unwavering patience and ability to break things down in a way that I could understand them made all the difference in making me comfortable with the purchase I made. This was not my first time buying a house, but I can honestly say that when the time comes for me to sell, I don't want to deal with anyone else but her."
