

City of Clinton spring cleanup runs April 6-13

Special to The Clinton Courier

The city of Clinton’s annual spring citywide cleanup begins April 6 and will continue through April 13 (except Sunday). During the cleanup period, the City of Clinton will have dumpsters available for residents at the old Northside Elementary School location at 1111 Old Vicksburg Road.

City workers will be present to receive trash each day between 7 a.m. and 5 p.m. The site will be closed on Sundays.

Residents utilizing the service are asked to line up on Longwood Place in the Briars and turn west on Old Vicksburg Road for disposal. Due to the expense of the program, the Public Works Department will limit the service to residents of Clinton only. Residents utilizing the service will be asked to show proof of residency. Accepted forms of identification include a City of Clinton water/garbage bill, a driver’s license or a state-issued ID card with a Clinton address.

The spring cleanup days are a service to Clinton residents who may have items too large to dispose of on their regularly-scheduled garbage collection days. Residents can dispose of yard waste, bulky items and other household debris free of charge.

The spring cleanup period does not include e-waste, such as old

computers, printers or keyboards, which can often be partially recycled. A separate time for disposal of e-waste and hazardous materials, such as paint and pesticides, will be offered in the fall.

For more information, call 601-924-2239, or visit www.clintonms.org/garbage.
