“I’ve known Shelly personally for over 5 years. When I decided I wanted to look into buying a house, Shelly was my natural choice because I knew she wouldn’t lead me wrong. She not only helped me through the process like it was a walk in the park; she showed me that she knows real estate inside and out like nobody I’ve ever met before. Shelly GREATLY EXCEEDED my expectations in a realtor and I got to know how talented she really is in the real estate world. Her unwavering patience and ability to break things down in a way that I could understand them made all the difference in making me comfortable with the purchase I made. This was not my first time buying a house, but I can honestly say that when the time comes for me to sell, I don’t want to deal with anyone else but her.”

More than 1,000 students, parents and educators attended the recent Preview Day at the Raymond Campus of Hinds Community College.

As part of the day, they were able to visit a number of program and

activity booths to talk to current Hinds Community College students and instructors and learn about getting enrolled, applying for scholarships and housing. Current students also led tours of the Raymond Campus.
