Jehu Brabham To Serve As Summer Activities Director

Parkway welcomes Jehu Brabham as he comes to serve as our Summer Activities Director. Jehu has recently graduated from Mississippi College. While a student he received numerous honors. He was chosen Mr. Mississippi College, Mr. Basketball and Vice President of the Student Government. He was also selected as a Little All-American basketball player. During his career at Mississippi College he broke every basketball record available. New records established by Jehu include: a career total of over 2000 points, an average of over 37 points per game and the highest percentage of completed free throws.

In addition to his recreational qualifications, he also possesses a keen sense of personal responsibility and Christian dedication. He is a person who will not only develop and direct an effective, well-balanced program, but he will also be actively involved in winning others to Jesus Christ.

We indeed welcome Jehu to our staff, to our church and to our community.
