Special to The Clinton Courier

The Hinds Community College Raymond Campus Mathematics Department recently hosted the district seventh and eighth grade mathematics competition, sponsored by the Mississippi Council of Teachers of Mathematics.

Each year, the middle schools and ju-

nior high schools in the Hinds district are invited to send their top two seventh grade mathematics students and their top two eighth grade mathematics students to the competition. The participants take a written, standardized test. The first and second place winners in each grade qualify for the state competition on at Hinds Community College's Wynne Hall on the Rankin

Campus. Team trophies of gold, bronze and silver are also awarded to the teams that amass the most total points on the exams. Winners included Clinton Junior High School seventh graders Sai Narla (first place, seventh grade) and Timothy Leach (second place, seventh grade); and CJHS eighth grader

Caleb Zmitrovich (first place, eighth grade). In addition, both the seventh grade and the eighth grade teams from CJHS won the gold team awards. The seventh grade team included Sai Narla and Timothy Leach, and the eighth grade team included Caleb Zmitrovich and John David Hagood. The students are sponsored by CJHS teacher Christi Oswalt.

Nearly 200 booths of Mississippi shopping!

MERCANTILE

MISSISSIPPI MAGAZINE
