Eastside principal wins April DOVE customer service award

Special to The Clinton Courier

When Clinton High School Band Director Kevin Welborn called Eastside Elementary to ask about scheduling a band recruitment day, Principal Cindy Hamil didn't hesitate to say yes.

"I get the chance to work with Ms. Hamil once or twice a year," Welborn said. "Every time we communicate, she is even more positive and upbeat than the time before. Her desire to help and work as a team is unique, inspiring and definitely deserves to be recognized."

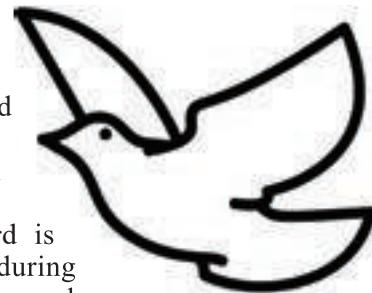

Hamil is the recipient of the Dedication of Our Valued Employees, or DOVE, customer service award for the month of April. She was formally honored at the May School Board meeting, held at 7 p.m. Tuesday, May 14, at Central Office.

The DOVE Award is given each month during the school year to an employee who goes above and beyond in showing customer service to students, parents and the community. A five-member DOVE award selection committee chooses each winner

from a pool of nominations.

"One of our top goals as a district is to provide great customer service to the community we serve," said Dr. Tim Martin, superintendent of schools. "We want families to have a good experience in our schools, and this award recognizes employees who exceed expectations in this area."
