*Special to The Clinton Courier*

Dr. James Meredith recently visited the Clinton Quisenberry Library, where he talked about his book, *Three Years in Mississippi*, and encouraged library use.

Meredith is currently on a tour of the fourteen libraries in the Jackson Hinds Library System to particularly bring attention to the many advantages that public libraries can offer, especially to African American families in Mississippi. For more information about Quisenberry library events, call 601-924-5684.
