

BE MOSQUITO FREE! PREVENTION & PROTECTION

DRAIN

Remove standing water from around your home. It only takes a bottle cap's worth of standing water to cause a mosquito problem.

Common culprits that should be monitored regularly for standing water include:

- clogged rain gutters,
- corrugated drain pipes,
- bed baths,
- pet bowls,
- trash & recycling bins,
- plant pots, and
- children's toys.

DRESS

When practical, wear long pants and long sleeves. Loose-fitting, light-colored clothing is best.

Studies have shown that some mosquitoes are more attracted to dark clothing and can most readily bite through tight-fitting, loose-weave clothing.

DEFEND

Use repellent! The EPA has registered repellents that have been reviewed and approved to pose minimal risk when used properly:

- DEET (N, N-diethyl-m-toluamide)
- Picaridin (KBR 3023)
- Oil of lemon eucalyptus (p-methan 3,8-diol, or PMD)

MOSQUITO CONTROL

When performed properly by trained professionals, back yard mosquito treatments can help to reduce the danger and risk posed by disease-carrying mosquitoes.

The Mosquito Authority's REPEL+PLUS Mosquito Treatment will break the mosquito lifecycle and all but eliminate mosquitoes from your yard - and your life - all summer long.

Lewis announces campaign for Justice Court Judge

Special to The Clinton Courier

Kenny Lewis is a forty-eight-year native of Hinds County who has spent his entire life serving his community. He and his lovely wife have spent the last two decades working toward creating a better tomorrow for their two children and the people of their local environment. Together, they own and operate three faith-based businesses in the county that gives him the platform to play a role in helping to develop the economy from the inside out.

Special to The Clinton Courier

In 1993, after four years of collegiate football, he received his bachelor's in criminal justice from Delta State University. Determined to provide a safe space for his children to live and play, Kenny was inspired to enter the world of law enforcement. With ethical decision making and the impact of family at the heart of everything he does, he has been blessed to achieve many levels of promotions and accomplishments in his chosen field of work. Over the years, his experience has evolved from eleven years of protecting the citizens on the streets as a police officer to ten years of serving the people of Hinds County at the District Attorney's Office. In every area of his career, he has consistently been singled out to be recognized for an outstanding level of achievement.

After being exposed to the raw truths that face our communities, Kenny was led to answer the higher calling on his life by taking his selfless service to the

next level and committing to doing the work of the Lord. In 2001, he became an ordained minister and later complimented his license with Christian education by earning his master's degree in theology from New Foundation Theological Seminary. He has aided in ministry for over eighteen years with the purpose of providing encouragement for the people by being a credible witness and a testament of his favorite quote. He often says, "We have seen too many victories to let defeat have the last word."

Today, Kenny works to fulfill his duties as a believer and doer of God's word on both a personal and professional level. He has found a unique way to blend his experience with law enforcement with the law of the Lord. As the Hinds County Quality Control Officer for the Department of Justice, he encourages those who society has plagued as guilty to seek freedom through Christ and not be confounded by the circumstances of life's mistakes. He believes the scripture that says, "When the righteous are in authority the people

rejoice" (Proverbs 29:2). Therefore, he strives to exemplify the righteousness of God through integrity in everything that he does.

Kenny Lewis has decided to take his experience to the courtroom, as he has begun his campaign for Justice Court Judge of District 4. He hopes that you believe that this is experience that you can count on. On August 6, 2019, vote Kenny Lewis for your next Justice Court Judge for District 4.
