

Upcoming Turner the Train appearances scheduled

Special to The Clinton Courier

Turner, Clinton's very own custom land train, has been seen traveling the brick streets of Olde Towne, carrying passengers over the bricks that were laid by his namesake, Louis Turner. "Turner the Train" was the winning submission in the Olde Towne Depot's contest to name Clinton's new train.

A ride on Turner the Train is just another of the experiences available in Clinton that further share Clinton's unique story in new

ways: quaint, historic Olde Towne; the beautiful Visitor Center full of memories and relics; an historical tour through Clinton's neighborhoods; and now Turner the Train, who brings a small piece of history to its citizens through a fun, inclusive ride.

Turner the Train's engine is built to resemble the old steam locomotives and pulls five cars. The handicap-accessible train can accommodate twenty-four individuals, with a handicap accessible caboose. Turner will be available for rides at various

City of Clinton events. Upcoming events include Main Street Clinton's Fresh at Five Farmers Market on June 18 and July 2 from 5 until 7 p.m. and following the Olde Towne Depot's Reading Railroad on July 2 at 3:30 p.m.

Turner the Train may also be rented for public events held by nonprofits, charities, and local organizations. For more information about Turner the Train, visit the Olde Towne Depot or call 601-924-0113.
