

CPSD releases 2019-2020 online registration information

Special to The Clinton Courier

Families enrolling children in Clinton's public schools must register online via the PowerSchool parent portal.

Only parents or guardians can register a child for school. Online registration for returning students will be accessed through PowerSchool, the same site where parents can access grades and attendance. Parents need a PowerSchool account for each child enrolled in CPSD, and family accounts are linked for registration.

"In addition to viewing grades during the school year, PowerSchool gives parents access to the link for online registration when it's available," said Student Database Manager Sharon Tompkins.

Families who are new to CPSD, including parents of incoming kindergarteners, register students via InfoSnap. For more information or to access InfoSnap, visit www.clintonpublicschools.com.

Incoming kindergartners

Students entering kindergarten for the 2019-20 school year may register via the new student registration button on www.clintonpublicschools.com.

"To begin online registration, you'll need to click on the link for 2019-20 Kindergarten Registration, follow the directions to create an account or log in to an existing account, and then enter the child's information," Tompkins said.

Required registration documents are available at: <http://ow.ly/CVqD50uyIFg>.

Returning Students

Parents of returning students can access online registration for 2019-20 through PowerSchool. After logging in, the 2019-20 registration link is on the left side of the screen.

Students new to CPSD

If your child is new to the Clinton Public School District, entering grades 1-12, a link for New Student Registration is posted on www.clintonpublicschools.com.

After clicking the link, parents will be prompted to create an account and begin the registration process.

"The online registration process takes the place of filling out all the paperwork for each child when school starts," Tompkins said. "It does not take the place of on-site registration or residency requirements. Parents must submit residency paperwork each year."

CPSD accepts residency documents during the summer in order to make the registration process easier in the fall; however, families new to CPSD must submit residency information in August.

To meet the residency requirement, parents or guardians must provide two proofs of residency.

These can include ONE of the following:

- Mortgage document
- Lease agreement listing all occupants and expiration date
- Homestead exemption form
- Deed AND one of the following:
 - Electric, gas or water bill dated within the past three months
 - Car tag registration

For more information, call the CPSD Central Office at 601-924-7533.

CPSD seeks business partners for Teacher Incentive Program

Special to The Clinton Courier

The Clinton Public School District is seeking business partners for the annual Teacher Incentive Package program.

In this program, businesses are asked to offer across-the-board discounts or one-time promotions for Clinton educators.

"In years past, we asked local businesses to print flyers that were assembled into bags to give our teachers when they return in August,"

went home in backpacks. PeachJar is used for the Teacher Incentive Package as part of the district's larger goal of going paperless.

There is no fee to participate. The only requirement is that flyers be submitted by the July 26 deadline.

"Teachers really appreciate the support from local businesses," Beason said. "We get great feedback every year from

said Sandi Beason, Public Information Officer and program organizer. "Now, this program is paperless, and flyers will be emailed directly to teachers."

CPSD uses a service called PeachJar to send out electronic flyers to parents and employees. PeachJar is used during the school year to replace paper flyers that traditionally

educators, as well as participating businesses."

All partnering businesses will receive social media recognition as well as a sign suitable for framing to or posting online stating that they support Clinton teachers.

For more information or to submit flyers, email sbeason@clintonpublicschools.com or call 601-924-7533.
