

Brilla concludes Urban Soccer Project

Special to Clinton Courier

Over the summer, Mississippi Brilla players, coaches, and staff offered thirteen free soccer camps to inner-city children across the state of Mississippi. Through partnerships with urban ministries such as Mission First, Stewpot, Springboard to Opportunities, But God Ministries, Operation Upward, Southside Baptist Church, Soul City Church, YMCA, and His Heart for Jackson, Brilla's Urban Soccer Project reached over four hundred children this summer.
