TrustCare Health expands urgent care services to Clinton

Special to The Clinton Courier

TrustCare Health, a privately-owned Mississippi based company, recently opened its seventh urgent care clinic at 601 Highway 80 in Clinton.

The vision for TrustCare Health's urgent care clinics began in 2012 with the recognition that most Mississippians were not able to receive prompt medical care seven days a week, forcing families to waste time and money in the emergency room for non-life-threatening illnesses and injuries.

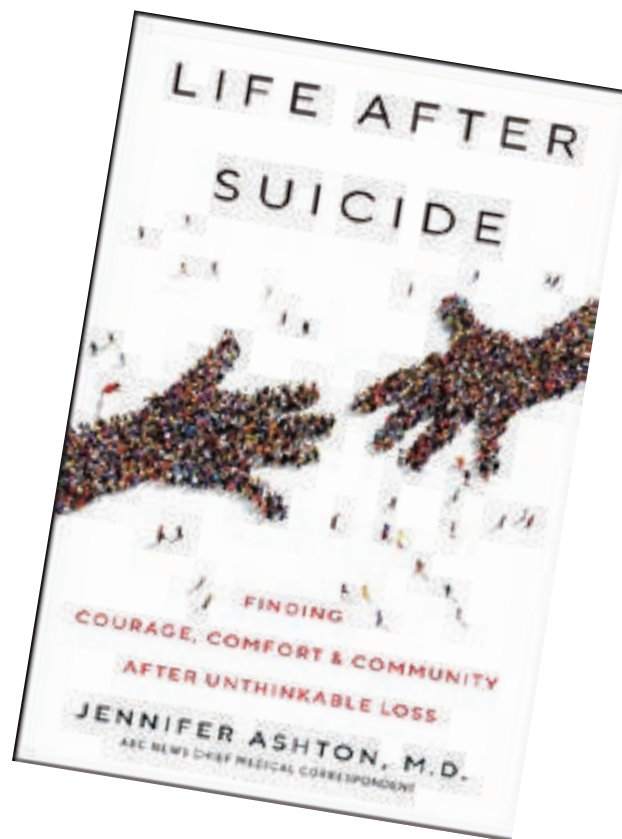

TrustCare Health's passion for high quality patient care, exceptional customer service and sixty minute or less door to door times has helped them earn a positive reputation within the

communities they serve and has positioned the company for expansion into new markets. Owner and President Warren Herring attributes this accomplishment to the dedication, compassion, and commitment of the entire TrustCare team.

"Our goal is to exceed the patient's expectation," said Herring. "From the convenient check-in through the entire exam process, TrustCare is committed to helping you 'Feel Better Faster.'"

TrustCare's Clinton clinic is open Monday through Friday, 8 a.m. to 8 p.m., Saturday 9 a.m. to 5 p.m. and on Sunday from 1 p.m. to 7 p.m. Most insurance is accepted, and the clinics provide cash pay options. For more information about TrustCare, visit trustcarehealth.com.
