Free airplane rides offered for Clinton youth at Young Eagles Rally

Special to The Clinton Courier

Experimental Aircraft Association (EAA) Chapter 276 of Raymond will be hosting a Young Eagles Rally on September 21. Launched in 1992, the Young Eagles program has dedicated more than twenty-five years to giving youth their first free ride in an airplane.

It's the only program of its kind, with the sole mission of introducing and inspiring kids to the world of aviation. The rally will be open to youth from eight years old up to eighteen who might have an interest in aviation. The rally will provide participants the opportunity to engage in a preflight and a flight in a general aviation aircraft. Those who participate will be provided with a certificate of flight and a logbook noting the flight. Their name will be entered into the national Young Eagles logbook in Oshkosh, Wisconsin. They will be given a free youth membership into EAA, plus a card for free entrance into about 300 aviation museums across the country.

Through their generosity, EAA mem-

ber volunteers have provided over two million free flights to youth over the course of the program. Harrison Ford flew the two millionth Young Eagle at Airventure in Oshkosh. As of July 15, 2019, the total number of Young Eagles flown is 2,160,623.

Registration forms may be picked up at Clinton Family Care at 309 Morrison Drive in Clinton or from Michelle Jackson at John Bell Williams airport in Raymond. Limited registration may be done at 8:15 a.m. sharp on the date of the event. Participation will be limited, so early registration is important.

Further info may be obtained from any EAA member or by calling Michelle or Clinton Family Care. Flights may be cancelled if weather is a factor.
