## “We’d love to join your family”

**Laverne**

**Wendell**

**Kal**

**Odessa**

**Max**

**Athena**

**Mancala**

Laverne would like to make your dreams come true! Laverne was found as a stray with another Chihuahua named Shirley. They were found on a busy street here in Janesville. Laverne is a bit more outgoing than Shirley. She will happily greet people asking for pets with a gleam in her eye. Laverne would enjoy nothing more than to have a lap to curl up on. Laverne loves to go on walks and explore her surroundings, a cozy sweater will surely keep her warm during chilly temps. Come and meet with this wonderful girl!

Wendell's got so much love to give and just needs someone to share it with. This big, handsome guy can't wait to go on walks and hikes with a forever family. With his goofy grin and gregarious personality, it's hard to believe he was found on the city streets. Wendell has met a couple canine friends here at the shelter. He would do best in a home where a dog can match his energy and isn't intimidated by his size. This bouncy guy will flourish with an experienced owner who can give him structure. He can't wait to meet you.

Hi, hi, hi! My name is Kal. That's right, Kal. I have lots of energy and strength, and I need someone to help me use it right with some training. I can't wait to meet you...ball! Is that a ball? Throw it, throw the ball! As you can see, I love to run and play and be outside and play and run and play. I'm sure you like to run and play too. Will you take me with you? I need someone to throw me the ball. And be on the other end of tug-a-war! Come and play with me here and I am sure you will take me home.

Are you looking for a furry friend to add to your family? I would love to meet you! My name is Odessa and I traveled all the way from Texas! After such a long trip, I am super excited to find my forever home. Let me bring a bit of southern charm into your life. I have been told I am beautiful, unique (no other dog like me) and fun. Come visit me at the Humane Society, I am ready.

One of the nine dogs rescued from the South Korean meat market is looking for his forever home. Meet Max, a 5 year old Korean Jindo! Max has spent his last month learning how to be a dog! He is timid but very friendly. Max loves to be by his humans so much that he gets very anxious when they are away from him. His ideal home would include someone who is home a lot of the time. Are you interested in meeting with Max? If so, he is super excited to meet you and hopefully go home with you.

Meet Athena! This energetic pup was brought in as a stray and never got reclaimed. Now she is in search of her new forever home! She loves to run around in the yard and catch tennis balls. She is very sweet and enjoys spending time with her human friends. Does Athena sound like a good addition to your home? Come visit this adorable girl with lots of personality.

Hello, my name is Mancala. Some people here call me "Mama Mancala" because I came to the Humane Society with my kittens. Some of my kittens have since found forever homes, but I am still waiting for mine. I am very sweet and can't wait to be pampered after raising a family. I think I deserve some me time. Let's meet, I am sure we will go home together.

**Chloe**

**Davy Jones**

**Daisy**

**Agatha**

**Pumpkin**

**Mrs. Oogie Boogie**

Meet Chloe! This sweet gal needs a little time to warm up, but we think she will blossom in a home! She has spent a long time perfecting herself, and she wants to share that with someone who appreciates a cat who is her own individual, will feed her on time, and will allow her to blossom on her own schedule. She is an easy girl, and she provides a constant, gentle companionship. Chloe wants a home where she can be Chloe! Do you have a home for her? You will love her.

Meet Davy Jones! This talkative guy loves attention when you're wanting to give it, but also is fine doing his own thing. If he thinks he's not getting enough love, he'll call out for you, get a few scratches and pets, and then go back to his comfy bed to nap the rest of the day away. Davy Jones is the most chill roommate you could ask for! We could all stand to learn a thing or two from this handsome fella. Think he's the dude for you? Meet him at the Petsmart in Janesville.

Daisy is a lovely lady looking for a peaceful place to call home. She's friendly once she gets to know you and enjoys when you pet her luscious coat. She hides if there's too much commotion and would do best in a quiet home with a patient and understanding person who will give her the time she needs to feel comfortable. If you have a tranquil home and appreciate the finer things in life, and the finest cats, we suggest you come in and meet Daisy. She is a quiet, classy and charming lady.

My name is Agatha. I am about 5-years-old and I'm ready to find my forever home. I was originally at the shelter way back in 2013. I was adopted but unfortunately I was returned due to not getting along with the other cat in the home. Go figure. Anyhow, I have alot to offer as far as a cat is concerned and really ready to be at home, if you know what I mean. Let's get together. Come and meet me as soon as you can.

Meet Pumpkin! What we know about her mostly comes from our experience with her as a mother cat; she was a patient and attentive mom, and didn't mind when her kitten jumped all over her and bit her tail. Her kitten has moved on, so now that Pumpkin can stop mothering 100% of the time, we are looking forward to her single gal personality to blossom and bloom. Pumpkin is a gentle and engaging girl who purrs up a storm! She loves for you to pet her and brush her. Do you think you can give this girl her forever home? You will love her the moment you meet her.

Meet Mrs. Oogie Boogie! She will rub against you affectionately, but for now it needs to be her idea. She is a cautious girl, and we suspect her guard will come down once she is comfortable in her new home with her humans. Once you've gained her trust she'll give you all the love she's got. Mrs Oogie Boogie's ideal home would be routine, stable, and quiet, because loud noises and unscripted chaos are not her jam. Think she's the gal for your home? Check her out today.
