

BIRMINGHAM-MARTIN FUNERAL HOMES

DIXON AND VIENNA, MISSOURI

David and Gloria Martin

The Birmingham-Martin Funeral Home in Vienna, Missouri has been in existence since November 16, 1932. Owners, David and Gloria Martin, purchased the funeral home from Carl and Hazel (Grempczynski) Birmingham on January 1, 1975.

The Birmingham-Martin Funeral Home in Dixon, Missouri, traces the beginning of the business back to 1880, when the grandfather of Hazel (Grempczynski) Birmingham became the first undertaker in Dixon. His name was William J. Grempczynski, who was married to the former Miss Anna Veasman of Brinktown, and when he started his business, the City of Dixon had only been in existence for eleven years.

They are veteran owned and operated assisting with military honors, VA benefits, and burials in veteran related cemeteries.

They strive to live up to our motto, "Where Personal and Sincere Service is a Tradition."

"Veteran owned and operated"

DIXON FLORAL

In 1984 Pauline Stennett and daughter Kay Withers purchased the Flower Shop in Crocker, Mo. and called it Sunshine Corner. They ran it together for 7 years and then decided to purchase Dixon Floral in 1990 and subsequently sold the Crocker store.

Audrey Shepherd, Dorthy George, and Carlene McMillian were the owners of Dixon Floral prior to the purchase. Kays sister Fay became part of the Flower Shop family in 1991. Pauline passed on in 2003 leaving her two daughters to continue the flower service tradition.

Over the years the ladies have expanded their inventory to include more home decor, wall art, scented varieties, jewelry, and homemade gifts. Kay and Fay operate Dixon Floral today and continue to serve the Dixon and surrounding area with a smile!
