## Local Cheerleader to perform in the London New Year's Day Parade

Sophia Bianco from Dixon High School is one of more than 800 high school cheerleaders from across the U.S. who will be representing Varsity Spirit in the world famous London New Year's Day Parade. She will be in London from December 27th-January 2nd. The group will tour London landmarks such as Buckingham Palace and Windsor Castle, as well as see the play Wicked and walk along Abbey Road.

The individuals invited to perform in the London celebration are part of the All-American program, selected from National Cheerleaders Association (NCA) at summer camps across the country. This past summer Sophia attended cheer camp along with her other Dixon teammates at Lindenwood University in St. Charles. During the week, the NCA staff recognized the cheerleaders for skills and leadership and passed out ribbons for them to try out for the All-American team. On the last day of camp, all cheerleaders that were given ribbons were able to try out, and if they were the All-American team they were given the opportunity to attend several tours; Sophia chose London. Only the top 12% of athletes who attend camp earn the chance to perform in the holiday spectacular.

"The All-American program is celebrating its 32nd year in 2019, and our talented cheerleaders really enjoy the opportunity to show their skills to a very enthusiastic international audience." says Mike Fultz, International Event Coordinator for Varsity Spirit.
