PEOPLE AROUND ROTHSAY THAT NEED EXTRA ROUTINE SERVICES  
By: Marlys Winkels, Program Director

If I have heard it once, I have heard it ten times or more in the last two days alone—"boy am I sick of winter!" At least, we are all pretty good natured about our complaining. All too soon we will be complaining about muddy roads or fields too wet to plant or looking way ahead—does that grass really need mowing again this week? Where am I going with this?

I just heard a statistic for North Dakota on suicide- 10 to 12 people a month take their own lives. Suicide is the 10th leading cause of death in America with 45,000 numbered last year. Mental health is something we never want to discuss but is as important as our physical well being. Know the warning signs of depression and suicide. It is a life threat to the elderly as well with some of the highest rates of suicide taking place in people over 85. It is not normal to dwell on thoughts of dying no matter what age you are. If someone talks about it take them seriously.

If you or someone else is isolating themselves or seem more down than usual, maybe it is more than the weather. We can be sick of winter but let's not be sick of life! Spring is coming and life is worth living!

**Upcoming Events:**  
Mondays: Seniors meet at the Westrom Apts. -1 p.m. coffee and card playing

**Let God Be God**

We put limits on what God can and will do.  
That's why we're surprised by when and how God breaks through our preconceptions.  
We do better when we follow God, rather than trying to lead.  
In church this week, be open to God's leading.

**So are my ways higher than your ways.** Isaiah 55:1-9  
1 Corinthians 10:1-13 Luke 13:1-9 Psalm 63:1-8

**A. Stevens Named To Presidents List**

Ashley Stevens from Elizabeth earned President's List honors from Bemidji State University in Bemidji, Minn., at the conclusion of the Fall 2018 semester.

Ashley is a 2016 graduate of Rothsay High School and the daughter of Todd and Sheri Stevens.

To be eligible for the President's List, BSU students must be enrolled for at least 12 credits and earn a perfect 4.0 GPA during the semester. A total of 362 students earned Spring 2018 President's List honors from the university, and an additional 797 students earned Dean's List honors for earning GPAs between 3.50 and 3.99.

**Red Cross Announces Severe Shortage Of Type O**

The American Red Cross has a severe shortage of type O blood and urges type O donors – as well as eligible blood donors of all blood types – to give now to ensure lifesaving patient care isn't impacted this winter.

Type O blood is the most in-demand blood type, helping patients facing life-threatening conditions and emergencies every day. Type O negative blood can be transfused to patients with any blood type and is what emergency room personnel reach for when there's no time to determine a patient's blood type. Type O positive blood is also especially needed because it is the most transfused blood type and can be given to Rh-positive patients of any blood type.

Having a readily available blood supply is critical for patients like Luna Giles, who at the age of 1 1/2 has already underwent two heart surgeries and required over a dozen transfusions.

"Each time, the nurse would bring in a bag of blood for her transfusion, I noticed a small label on each one that said 'Donation Type: Volunteer,'" said Luna's mom, Jessie Giles. "It made me think about each individual who donated blood for my daughter. I would never know who those individuals were, and they would never see the effect their donation had. But each of those individuals, strangers to us, absolutely saved my daughter's life. They may never know it, but to me, they are heroes."

Right now, the Red Cross has less than a three-day supply of most blood types, and blood products are being distributed to hospitals faster than donations are coming in. Recent snowstorms and severe weather in many parts of the country have forced hundreds of blood drive cancellations, causing more than 20,000 blood and platelet donations to go uncollected.

Individuals of all blood types – especially type O – are asked to make an appointment to donate blood by downloading the free American Red Cross Blood Donor App, visiting RedCrossBlood.org or calling 1 800 RED CROSS or 1 800 733-2767.

Upcoming Red Cross blood donation opportunity Fergus Falls  
• March 14, 2019: 1:00-7:00 p.m., First Lutheran Church, 402 S. Court St.

**Otter Tail County CDA Hires New Director**

The Otter Tail County Community Development Agency (CDA) has announced the selection of Amy Baldwin as their new Director. Baldwin comes to Otter Tail County with nearly 20 years of experience, having held senior level community development positions with both the City of Brooklyn Park and City of Fergus Falls.

"Amy's experience and technical expertise will serve Otter Tail County, our 22 communities and 62 townships well," said County Administrator, John Dinsmore. "Her understanding of the region, experience with large and small organizations, and familiarity with local, state and federal programs will be a great benefit for the County."

Baldwin graduated from the University of North Dakota with a degree in Public Administration and holds a Master of Arts degree in Public Administration from Hamline University. Baldwin has earned Economic Development Finance Professional and Housing Development Finance Professional certifications through the National Development Council. In addition, she is a long standing member of the Economic Development Association of Minnesota and serves on the board of directors of the Greater Minnesota Partnership.

The CDA was established by the Otter Tail County Board of Commissioners in 2018 after a statutory process that included recommendations from a committee of public and private sector stakeholders. The CDA is a local government agency that is governed by a nine-member board of commissioners. According to CDA Board Chair, David Schornack, "the purpose of the CDA is to strengthen the communities of Otter Tail County by expanding affordable housing opportunities, promoting economic development, and fostering coordination of public and private resources."

Baldwin, who grew up vacationing in Otter Tail County prior to relocating to the area with her family four years ago, is eager to get started. "I am humbled by the opportunity to serve as Otter Tail County's Community Development Director and I look forward to working for the communities and residents of Otter Tail County."
