Christopher Lee Weiss April 3, 1978-August 18, 2018
Terrence S. Wibe September 24, 1933-January 3, 2018

A Fresh Look At Your Home Town

Cole and Jenna (Sheik) Crabtree chose to relocate their family to Barnesville in 2018. The couple are proud parents of daughter Evie and son Kyson. Not pictured, but never far from sight, this family is complete with their five year old dog Jax.

With a new house, in a new neighborhood, Cole and Jenna Crabtree feel right at home. The Crabtree family, which includes son Kyson and daughter Evie, have chosen to call Barnesville their “hometown.”

For Jenna, moving back to Barnesville is coming full circle. She is a 2009 graduate of Barnesville High School. Most of her extended family still resides here.

After Jenna and Cole started a family, they were looking for that place to call home, raise a family and give their kids the same experiences they had growing up. Taking a fresh look at her hometown with all her wonderful memories she had growing up, the answer came easy for Jenna. Convincing Cole, who grew up in Dilworth, was a challenge she was willing to take on.

When an opportunity came up for them to purchase an empty lot in Barnesville and build their new home, the couple was excited.

After owning and renovating their first home in Moorhead, they were ready to go ahead with that next step. Cole took on a lot of the finish work himself. He spent many days, evenings and nights away from his family to complete their new home. His decision to do the exterior stone work, which he had not done before, was second guessed multiple times.

After attending NDSU and the University of Kansas, Topeka, Jenna is now an insurance agent for Superior Insurance in Fargo. Cole is employed by McArthur Tile of Dilworth.

As the family only moved into their home the beginning of December, they are anticipating being able to experience all that summer has to offer in Barnesville. The kids are excited to play at the new park in their neighborhood, along with going to the splash pad on hot summer days.

Kyson attends preschool in Barnesville with Miss Julie and Miss Gloria. Jenna remembers with a smile having Miss Gloria in her early educational career, too. They also plan for daughter Evie to attend Barnesville preschool in the fall. With both parents working out of town, Great-grandma Rosie is able to pick Kyson up from preschool and drop him off at daycare.

Now that summer is just around the corner, the Crabtree family is ready for this next adventure of being home in Barnesville.
