“Our fan support was such a big part of our experience this week. Including M State President Brimhall and her family, we had 41 people from Minnesota and North Dakota travel to New York to cheer us on. That type of support from family and our college is truly appreciated.”

“A big thanks to our sophomores Blake Bloedorn, Jordan Kern, Austin Miller, and Hunter Moen. They are great players and very special young men. I am very thankful they attended M State and they leave a wonderful legacy on our program. Both Wyatt and Carter had great freshman seasons and they will be the backbone of our team next year.”
