

Clay County Age Well Kicks Off August 13

Clay County Age Well is a collaborative effort to provide seniors in rural Clay County with resources and information in their own communities that fosters healthy aging and well-being.

Clay County Age Well is funded through a Silos to Circles grant provided by the LeadingAge Minnesota Foundation and supported by a coalition of members from the Dancing Sky Area Agency on Aging, Eventide Senior Living Communities, Lakes and Prairies Community Action Partnership, Lutheran Social Services of Minnesota, and the Rural Enrichment and Counseling Headquarters in Hawley.

This initiative utilizes Pinnaca interactive videoconferencing technology to share presentations between the following participating locations: Barnesville Senior Center, Hjemkomst Center, Rollag Lutheran Church, REACH – Hawley, and the Ulen Senior Center. Examples of future shared content programming include exercise classes, insurance informational sessions, history lessons, shared bible studies, and many more.

Clay County Age Well kicks off on August 13th from 11:00 a.m. – 12:30 p.m. at all of the above locations, excluding the Barnesville Senior Center. Please come join us for lunch and a presentation by Eric Bergeson as he shares stories of his friendships with seniors in his hometown of Fertile, MN. We hope to see you there!
