## Trojans Looking For Second Straight State Trip To US Bank

CONTINUED FROM PAGE 3

The Trojans lose players to graduation every season, but the wins and losses don't seem to change as the culture of Trojan

football continues with new players every year stepping into roles that they have been prepared for.

"Our expectations are the same year after year," Strand said. "We expect to be playing in the section

championship game and try to get back to US Bank Stadium. We need to stay healthy, work hard and improve every day. I am excited about this team. I think we are going to be very good if we play hard, fast and work to get better

daily. We have many tough games to start the season and need to be ready with the right mind set to do great things."

Barnesville will once again battle teams in the Midwest

District, representing the white division. They will be joined by the Breckenridge Cowboys, Crookston Pirates, Hawley Nuggets and Roseau Rams.

Captains for the 2019 season are Hunter Zenzen and Connor Morse.
