Pike Bay Police Chief Zeb Hemsworth

April Highlights:
 • Officer assisted with shooting incident. While assisting on that call, officers heard a domestic disturbance at a nearby residence. Two individuals were arrested for domestic assault and felony drug possession.
 • Officers responded to and assisted other agencies with a shooting. Multiple individuals were arrested for various charges.
 • Officer checked on sus-

picious persons walking along a county road, after one of them momentarily ran into the woods. The same individual, known to the officer, again fled on foot when contact was attempted. He has been charged with fleeing on foot. The other individual was arrested for an arrest warrant and unlawful possession of hypodermic needles and a controlled substance (meth).
 • Officer stopped a vehicle after seeing a child hang-

ing out of a window. The driver was cited for driving with a cancelled driver's license and for allowing four child seatbelt/restraint violations. The children were between the ages of 8 years and 16-month-old. The driver told the officer he had learned a valuable lesson. The following day, while the officer was returning to Pike Bay from Walker, he noticed the same vehicle in front of him and that there were children moving about inside the vehicle. The vehicle was stopped and the same driver was cited for the same offenses as the day before. Child Services was advised.

Cass County Attorney Ben Lindstrom

Cass County Attorney Ben Lindstrom reports:
 Julia Marie Mitchell-Jenkins appeared in Cass County District Court on May 6, 2019 and pled guilty to felony fleeing a peace officer in a motor vehicle and felony fifth degree possession of a controlled substance. While the Minnesota Sentencing Guidelines presumed a probationary sentence, the plea agreement called for an executed prison sentence on the fleeing charge. Mitchell-Jenkins was therefore sentenced to serve one year and one day in prison for fleeing and one year concurrent for the controlled substance possession.

According to the criminal complaint filed by the Cass County Attorney's Office, on April 25, 2019 a Leech Lake Tribal Police Officer stopped a vehicle for an expired license. After the Officer stepped away to speak with the driver, the passenger Mitchell-Jenkins crawled into the driver's seat and fled the scene. Leech Lake Tribal Police Officers pursued the vehicle through the Cass Lake area and east onto Highway 2. At times, the speed of the vehicle went in excess of 90 miles per hour. During the pursuit, the vehicle drove through a ditch to avoid stop strips that were deployed by a Cass County

Deputy. The vehicle ultimately stopped in front of a residence and reversed into a Leech Lake squad. The vehicle then turned into a ditch and drove through a yard. A Leech Lake Tribal Police Officer was able to use his squad to end the pursuit by pinning the vehicle against another object. Law enforcement surrounded the vehicle and ordered Mitchell-Jenkins to exit. She did not, and could be seen trying to open some type of container. Law enforcement had to break the driver's side window to open the door and it was discovered Mitchell-Jenkins had a loaded hypodermic needle in her mouth. The contents of the needle tested positive for methamphetamine. It was also confirmed that Mitchell-Jenkins had an active felony warrant for her arrest.
 The pursuit lasted roughly 40 miles.

Ask a Trooper

By Sgt. Neil Dickenson
 Minnesota State Patrol

Question: What is the law regarding fastening bike carriers and other items to the back of a vehicle which block the ability to read the rear license plate?
Answer: It is illegal if any part of the taillight or license plate is blocked by a bike, carrier or any other object.
 A vehicle built after 1960 must have two red tail lights that

are plainly visible at 500 feet to the rear, and the license plate must be displayed in a manner that the view of any plate or permit is not obstructed.
 A rear end crash could occur when other vehicles can't see the taillights. Please make sure that your license plate and taillights are visible at all times. Find other options on where to place bigger

objects on or in a vehicle so the rear taillights and license plate can be seen at all times.
 Another safety issue that we see on our roads is when cargo is not secured. Make sure you properly secure all items that could potentially come out of your vehicle and potentially cause a crash behind you. Make sure that tie-down straps are tight and secure and keep an eye on your trailer and cargo while traveling.
 In the event that any item comes off a vehicle while in motion, the driver can be

cited for an unsecured load, and could be liable for any civil actions that result in property damage or injury to other motorists that are trying to avoid and/or strike the unsecured item. Watch this video for more information on how to secure your load.

Cass County Sheriff Tom Burch

Volume 101| May 2019
 As we transition into spring weather, hobbies and recreation, including ATV riding, we have been asked to cover ATV laws specifically for youth operators. Each year, we see an increase in ATV traffic and recreation in our county, specifically with youth operators. We would like to educate both youth riders and parents or family members of youth riders on legal operation considerations to make your ride enjoyable, safe and legal.
 All riders in Minnesota who were born after July 1st, 1987 are REQUIRED to complete an approved ATV Safety Course, and carry the Minnesota ATV Safety Certificate with them while riding on public lands. Effective July 1, 2017, youth ages 6 through 15 must complete the following:
 • Online ATV safety course;
 • Hands-on ATV riding performance class (a parent or guardian must be present at the

hands-on training portion for youth ages 6 through 10).
 • First, complete an ATV safety online course online at ATVcourse.com (the fee for the online course is \$24.95)
 • Next, attend a Hands-On ATV Safety class:
 Students ages 6 - 15 must register for a Hands-On ATV Safety Training class located at <https://www.dnr.state.mn.us/safety/vehicle/atv/index.html>. A fee may be collected by the instructor.
 The Hands-On training takes into account the following considerations: Student must meet Fit Requirements; Basic ATV operation, protecting the environment, common ATV parts and controls, MN rules and laws, responsible ATV riding skills for trail riding and practicing/demonstrating skills on an ATV course. Student must be fitted to the ATV they will be operating.
 Students can print their ATV Safety Certificate from the DNR website after passing the Hands-On class. Instructions are provided during class (includes DNR fee of \$10). The ATV Certificate becomes valid at age 12. <https://www.dnr.state.mn.us/safety/vehicle/atv/index.html>
 The Cass County Sheriff's Office has partnered with the Woodtick Wheelers ATV Club and, starting Spring 2019, is offering the ATV safety course in our area schools, where the certification can be completed.
 In addition to the required ATV safety certificate, all riders who are under 18 and who are riding on public lands must follow these restrictions:
 • Children under the age of 10 may ONLY operate a CLASS 1 ATV on private property with the landowner's consent.

• Children ages 10 and 11 can operate a CLASS 1 ATV on private property with the permission of the landowner. They can also operate on public lands and frozen water of the state ONLY if the ATV has an engine of 90cc or less AND they are accompanied by a parent or guardian.
 • Children aged 12-15 must follow these restrictions:
 o Those under the age of 15 may NOT operate any CLASS 2 ATV.
 o Must carry an ATV Safety Certificate that is approved and recognized by the State.
 o May operate on public lands and frozen waters of the state ONLY if accompanied by an adult 18 or older who is on a separate ATV and who holds a valid driver's license.
 • Children 16 and 17 must follow these restrictions:
 o Must carry an ATV Safety Certificate that is approved and recognized by the State in order to operate on public lands.
 o Must have a valid driver's license when crossing a roadway or operating on road rights-of-way.
 The Cass County Sheriff's Office and The Minnesota Department of Natural Resources strongly encourage ALL ATV riders to wear a proper helmet, eye protection, gloves and over-the-ankle boots when riding any ATV. A helmet is the single most important piece of safety equipment you can have and wearing one while riding can save your life!
 • ALL ATV and OHV riders

under the age of 18 are REQUIRED to wear an approved, securely fastened helmet at all times when riding. All helmets must meet the Department of Transportation standards and display DOT approval. Helmets that are not DOT-approved are not appropriate headgear for ATV riding.
 As always, we encourage safe and legal riding and operating for all ages of enthusiasts. Before heading out on Minnesota's ATV and OHV trails, please remember the following tips to ensure a safe and enjoyable ride:
 • Always wear appropriate safety gear when riding.
 • Ensure your ATV is properly registered in the state.
 • Always stay on designated trails. Stay off paved roads.
 • Obtain the landowner's permission before going onto private land.
 • Know before you go - contact the landowner, local clubs or officials to find out about open ATV trails or routes.
 • Never ride an ATV while under the influence of drugs or alcohol
 If you have specific questions that you would like answered in this column or in person, please feel free to contact me anytime using one of the following methods:
 • Email: tom.burch@co.cass.mn.us;
 • Phone: (218) 547-1424 or 1-800-450-2677; or
 • By mail or in person: Cass County Sheriff's Office, 303 Minnesota Avenue West, PO Box 1119, Walker, MN 56484.
