Cass County Attorney Ben Lindstrom

Cass County Attorney Ben Lindstrom reports:

On June 17, 2019, Ryder Schlagen appeared for sentencing in Cass County District Court, having previously pled guilty to Arson in the First Degree. Schlagen was ordered to serve one year in the Cass County jail and placed on DOC probation for a period of up to five years with the condition that he pay \$53,639 in restitution. \$28,000 was paid immediately. He was also ordered to comply with several other standard conditions of probation. This matter was investigated by the Cass County Sheriff's Office and involved a garage type structure that was burned down.

On June 11, 2019, Theodore Morrison appeared in Cass County District Court for a jury trial and the jury returned with a guilty verdict for felony violation of an order for protection. The Minnesota

Sentencing Guidelines presume a commitment to prison for this offense. Sentencing is scheduled for June 24, 2019 at 1:30 p.m. This matter was investigated by the Leech Lake Tribal Police Department.

On June 13 and 14, 2019, Dennis Washburn appeared in Cass County District Court for a jury trial and the jury returned with a guilty verdict for felony Sale of a Controlled Substance Crime in the Second Degree. After the verdict was read, Washburn was remanded to the Cass County jail. Sentencing is scheduled for July 8, 2019 at 1:30 p.m. According to the criminal complaint filed by the Cass County Attorney's Office, Washburn sold methamphetamine to a law enforcement informant on three separate occasions. This matter was investigated by law enforcement from the cooperative Paul Bunyan Drug Task Force.

Two seriously injured in motorcycle crash near Walker

The Minnesota State Patrol reports that two people were seriously injured in a motorcycle crash south of Walker early on Friday, June 15. The accident was reported at 12:45 a.m.

According to the report, April Grossman, 28, of Walker was driving a 2005 Honda B60 motorcycle on 73rd Street Northwest when it left the roadway near Arola Road (the former Ah-gwa-ching

site) and struck a power pole. Both Grossman and a passenger, Derek Hogan, 30, of Nevis, sustained life-threatening injuries in the crash and were air-lifted to North Memorial Hospital.

The State Patrol was assisted at the scene by the Cass County Sheriff's Office, Walker Police Department, North Memorial EMS and North Memorial AirCare.

- Food Shelf is open from 10 a.m. to 2:45 p.m., located on west side of Food Distribution building on Hwy 2.

DNR, MPCA issue joint statement on Line 3 decision

The Minnesota Pollution Control Agency (MPCA) and the Minnesota Department of Natural Resources (DNR) are committed to a fair, efficient, and thorough review of Enbridge's Line 3 Replacement Project applications.

After reviewing the Minnesota Court of Appeals' ruling regarding the Environmental Impact Statement (EIS) for the Line 3 project, both agencies have determined that, consistent with state law, they may not take final action on the applications pending before them until the Public Utilities Commission (PUC) addresses the EIS deficiency identified in the court's remand.

Recognizing that state law both allows and encourages simultaneous work on environmental review and permit applications, the two agencies will continue their work reviewing the Line 3 applications. The court's decision, however, does have implications for how this work will proceed.

Most notably, the MPCA will not be releasing draft permits and the 401 water quality certification on July 1 as previously scheduled. This schedule adjustment will allow MPCA to consider the additional PUC environmental review analysis before initiating its public comment process.

More generally, both agencies will fully review any additional information that becomes available through the PUC's EIS revision process, including public input to the PUC, prior to making decisions on the pending applications. Neither agency will take final action on the Line 3 Replacement license and permit applications until there is an approved EIS.

Once the scope and timing of the EIS revision process are established by the PUC and/or courts, the DNR and MPCA will be in a better position to determine whether additional adjustments are needed to their application review processes and timelines.

ATV crash in Foothills State Forest results in serious injury

Cass County Sheriff Tom Burch reports that at 2:06 p.m. on Sunday, June 16, the Sheriff's Office received a report of an ATV crash with injuries in the Spider Lake Recreation Area of the Foothills State Forest in Ansel Township.

When deputies and emergency personnel reached the scene they found that the victim, Mary Hedstrom, 58, of Alexandria, had been operating a 2004 Sportsman 600

ATV when she attempted to negotiate a sharp turn and lost control, leaving the trail and rolling down an embankment. She was taken from the scene by ambulance and transported to a Brainerd hospital with serious injuries.

Assisting the Sheriff's Office at the scene were Sebeka Fire & Rescue, Pine River Fire & Rescue, Pine River Police Department, North Memorial Ambulance and North Memorial AirCare.

Cass County Sheriff Tom Burch

Volume 102| June 2019

Did you know that your swim raft or platform needs a permit to be in the water? This is a common question that we get during the summer months. This month we will discuss Raft Permits, along with on the water special event and tournament permits and how to obtain them from the Cass County Sheriff's Office.

DNR regulations allow structures, such as swimming rafts, boat lifts, slalom courses, ski jumps, etc, which do not extend from the shore, cannot be placed in the water between sunset and sunrise without first obtaining a permit from the County Sheriff.

MN State Statute reads: 6110.1800 "PLACEMENT OF TEMPORARY STRUCTURES AND BUOYS IN THE WATERS OF THE STATE. No person shall leave any temporary structure not extending from shore, or any

buoy or sign in the waters of this state between the hours of sunset and sunrise without first obtaining a permit in writing therefor from the sheriff of the county. Mooring buoys must be placed as provided in part 6110.1500, subpart 4. Swimming area markers must be placed as provided in part 6110.1600.

Permit for temporary structure or buoy. The sheriff of any county may issue a permit for the placement of any such structure or buoy whenever, in the sheriff's opinion, the structure or buoy will not constitute an undue hazard to or illegal obstruction of navigation.

Additional rules about rafts and other structures are:
• The permit number must be painted on the raft.
• The structure must have a light visible in all directions or be reflectorized, so as to reflect light in all directions.
• Placement of the structure may be altered at the direction of the sheriff should it interfere with navigation.

Permits are available from the Sheriff's Office in a variety of ways. Go to www.casssheriff.com and click on "Forms and Permits" in the Recreation (Boat and Water) section. Permits are available in a downloadable pdf format that can be filled in, printed and mailed to our office. They can be filled out in person in our lobby or we can mail you a permit.

A raft permit is valid for two years and costs \$10, which can be paid in check or cash and included with your permit application. We will receive your application and mail you a permit, which will have the permit number on it and that you can keep in your file. We

don't automatically mail a renewal; you must renew your permit when it expires by completing a new application and mailing it to our office with payment.

The Cass County Sheriff's Office also issues Event Permits. A Request to hold a snowmobile race, radar run, or other timed or speed event, including fishing tournaments on water, ice or land in Cass County can be found on our website as well.

If you plan to hold an event or exhibition on a Cass County lake or river, you must complete an Event Permit. Examples of event permit include fishing tournaments, boat races and ski shows. All water exhibition applicants must ensure the following:

- Insurance: The applicant must obtain a non-cancelable liability insurance policy in the amount of \$300,000 / \$1,000,000 naming the county and any municipality where the event is to be held as additional insured for the term of the event permit. All insurance information must be included with the application and fee at least two (2) weeks prior to the event. Any and all permits required from the Minnesota Department of Natural Resources must be attached with the permit application prior to approval.
- Clean-up: The race/event site should be cleaned up to pre-event conditions within 24 hours after the event. All debris must be removed from

the site. Failure to follow all conditions may result in the denial of future permits or citations being issued for non-compliance.

• Event cancellation: The Cass County Sheriff's Office reserves the right to cancel any event/race at any time as a result of weather or ice conditions to ensure the public safety.

• Applications: All applications must be received by the Cass County Sheriff's Office at least two (2) weeks prior to the scheduled event. The permit must be with the event director/coordinator or at the main staging area. All applications must include the permit fee for each event scheduled. Each event fee is \$20 per permit.

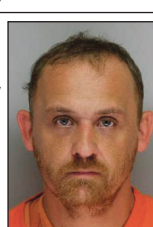

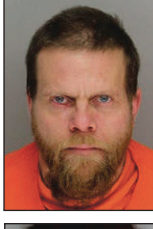

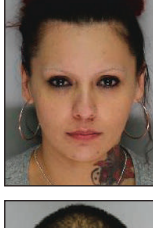

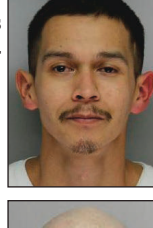

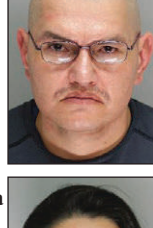

• If you have any questions about permits or applications required, please contact our Recreation Office at (218) 547-7329 or email Lt Brad Rittgers at brad.rittgers@co.cass.mn.us.

If you have specific questions that you would like answered in this column or in person, please feel free to contact me anytime using one of the following methods:

- Email: tom.burch@co.cass.mn.us;
- Phone: (218) 547-1424 or 1-800-450-2677; or
- By mail or in person: Cass County Sheriff's Office, 303 Minnesota Avenue West, PO Box 1119, Walker, MN 56484.

Cass County Most Wanted
