Wadena County Veterans Service Officer

White House VA Hotline 94% of the Total Cases Created have Been Resolved

Pledged by President Donald J. Trump as part of his administration's commitment to reforming the U.S. Department of Veterans Affairs (VA), as of 14 MAY, the White House VA Hotline has answered more than 250,195 calls since it went live June 1, 2017. The hotline, 855-948-2311, serves Veterans, their families, caregivers and survivors by giving them a direct, nonemergency, contact line available 24 hours a day, 365 days a year with agents the majority of whom are Veterans or from a Veteran family who are trained to address general and common VA inquiries. "The White House VA Hotline is quickly becoming VA's front door for questions or concerns about VA and community resources," said VA Secretary Robert Wilkie. "This milestone is a testament to VA's commitment to improving the Veteran experience."

While Veterans are encouraged to use existing VA contact centers, the hotline offers an alternative "always the right number" approach, transferring calls when needed to VA subject matter experts, such as the

Veterans Crisis Line. The hotline serves as VA's front door to listen to Veterans' experiences, identify trends in Veteran feedback and resolve Veterans health, benefits and services concerns anywhere in the department. More than half the calls to the hotline are general inquiries about VA's care, benefits and memorial services. Concerns that cannot be resolved immediately are entered as cases, accessible to VA Offices of Client Relations. To date, 94% of the total 157,346 cases created have been resolved.

According to recent data from April, the average wait time to speak to a live agent was nine seconds, with calls typically lasting about 15 minutes. About 1% of all calls were compliments. For more information about the hotline, visit <https://www.va.gov/ve/whvahotline.asp>. Veterans, their families, caregivers and survivors can call the White House VA Hotline at 855-948-2311. Ask A Trooper

TRP. JESSE GRABOW
Minnesota State Patrol
Safety Education Officer

Question: Thank you for the work you do and for your service with the Minnesota State Patrol. I have a rather random, but seasonally appropriate question: with harvest season upon us and with slow moving farm vehicles/implementations on roadways, is it permissible to pass a slow-moving farm implement on Minnesota highways in a delineated no-passing zone? If passing is prohibited, maybe this is something to feature in the 'Ask a Trooper' segments in various media outlets.

Answer: Thank you for the question. This is perfect timing going into harvest season. Chances are motorists will encounter slow moving farm vehicles in the next few months.

Passing in a "no-passing zone" is not only dangerous, it's illegal. A motorist must wait until it is legal and safe. In these cases, patience is a must!

From 2016 to 2018, there were seven fatalities and 385 crashes involving at least one farm vehicle in Minnesota, according to the Minnesota Department of Public Safety's crash data. Of the seven fatalities, one was a farm vehicle rider. Of the 154 injuries, 50 were farm vehicle riders.

Motorists should:

- Slow down and use caution when approaching farm equipment. Don't assume the operator can see you.
 - Watch for debris dropped by trucks. It is safer to brake or drive through debris than to veer into oncoming traffic or off the road.
 - Wait for a safe and legal place to pass.
- Farm equipment operators should:**
- Use lights and flashers to make equipment more visible.
 - Use slow-moving vehicle emblems on equipment traveling less than 30 mph.
 - Consider using a follow vehicle when moving equipment, especially at night.
 - Properly secure your load.

A portion of state statutes were used with permission from the Office of the Revisor of Statutes. If you have any questions concerning traffic related laws or issues in Minnesota, send your questions to Trp. Jesse Grabow – Minnesota State Patrol at 1000 Highway 10 West, Detroit Lakes, MN 56501-2205. (You can follow him on Twitter @MSPPPIO_NW or reach him at jesse.grabow@state.mn.us)
