

Best Barber: Oki Woolridge

Oki Woolridge stands with his son Miami and several of his customers after being named Weakley County's Best Barber for the third time in a row. Earlier in the week, Woolridge was presented with an award for Best Coach in Weakley County, something he was not expecting to happen.

Woolridge is a well-known face around Martin. He is not just a barber, but serves as a mentor for youth in the community.

"I try to instill as much respect as I can in our youth and I believe they will return it to our world one day," Oki said.

Woolridge serves as a coach for youth league sports, offers a basketball court for children to use as well as games for his families, making a "trip to the barber-shop" more than just a cut and style.

He also offers incentives and special discounts for children based on their good report cards.

Best Dentist: Moore Dental

Moore Dental has been chosen Best Dentist in Weakley County for three years now. The dedication to their patients and their Community support goes over and above.

The doctors believe in bringing the latest procedures to this area and keeping up to date to bring forth the best smiles. Brenda Stephenson stands with Dr. Chris Moore after her mini implants procedure. Mini implants are a simple, cost-effective, non-surgical procedure that is done in less time than traditional implants. Patients should experience quicker healing, fewer office visits and fewer complications. Schedule your consultation today by calling Moore Dental at 731-587-4742.
