

12 Annual BEST OF THE BEST Readers' Choice Awards

The entire staff of the Weakley County Press is honored to present this 12th edition of the Best of Weakley County.

We take pride in supporting and promoting our LOCAL businesses, organizations and events Countywide.

Every year since this special edition began, we have received hundreds of ballots with over 80 categories, submitted by you, our readers.

Every year we see new businesses in the running. Our little part of the world is growing!

It takes all of us to put this feature together: Beth Cravens, design and layout; Kelcee McMillin, marketing consultant and myself consider this publication a labor of "appreciation." We appreciate our readers' enthusiastic participation in this process and of course, we appreciate all of

the outstanding businesses and individuals in Weakley County who have made this possible.

Since 2006, Readers' Choice has been a favorite tradition, not only for our readers, but for businesses who serve our community every day.

It's great recognition for businesses to get a pat on the back from people who patronize them and know what they offer.

It's also our way of encouraging you to shop locally, with your friends and neighbors, with the people with whom you go to church, ballgames and other events. The money you spend when you shop locally comes directly back to your community, not to a corporation in nother state.

It's exciting for us, too. One of the best parts of this process is delivering and presenting awards to the recipients. The looks on the faces of unsuspecting owners and managers are priceless.

We are always excited for our winners and all the people who were voted for. Business owners, teachers, community leaders, restaurants, it doesn't matter...everyone wants to know they are doing a good job.

Another exciting part of the Reader's Choice Awards is the cash prizes for participants. Readers had the opportunity to win cash prizes just for voting, in a random drawing from all of the ballots submitted.

Our cash winners this year are Kathy DeWaters, Andre Burns and Doris Allen.

A sincere "thank you" to all who took the time to vote and a big "congratulations" to all of our winners.

*Lynette Calhoun Wagster
General Manager*

Kathy DeWaters: \$100 Winner

Andre Burns: \$50 Winner

Susie Allen: \$25 Winner
