*Doug, Mike and Marvin Thweatt*

Martin's very own southern, down-home restaurant once again walks away with multiple awards for the Best in Weakley County.

This year's winning categories were breakfast, catfish and their famous buffet.

Family owned and serving home cooked food since 1985, the Thweatt Brothers are proud to carry on this Weakley County tradition.

**Best Home Builders:  
Butler Builders**

When Larry Butler began laying bricks in 1968, he would have never dreamed that 23 years later his son would choose to move back to Martin, TN to join the "family business". Imagine his surprise when Weakley County Press readers named Chris the 2017-2018 "Best Home Builder".

Chris is grateful for the award, but is quick to remind everyone that it's the team at Butler Builders that makes them the "Best". Larry, Chris, Andy & Andy are proud to say that Butler Builders has built over 100 homes just in Weakley County, and plan on building many more in the upcoming years.

Although building homes is their specialty, Butler Builders also does additions and renovations to homes. In fact, much of their business comes from repeat customers, whom have loved the work done by Butler Builders when constructing their homes so much, they call them in for all renovations and additions needed for their growing families.
