Best Photographer: Christie's Photography

In business since 2004, and voted Best Photographer in Weakley County 6 times, Christie Ricketts has always enjoyed taking pictures. She still has the little 110 camera used in elementary school!

The photographer's main shoots are of area high school seniors, yearbook photos for schools, families, and sports.

"School and senior photography has become a large part of our business. Our summers are spent meeting and photographing seniors for the coming year," Ricketts said. When summer is over, scenery shifts a little for Christie's Photography. She continues to have family sessions at the studio, but she is also in seven of the Weakley County schools taking photos for their yearbook. Ricketts also photographs

two college rodeos each year, including UTM Rodeo.

Her studio is home-based at 407 Jenny Lane, where she takes most of her images, unless an on-site photo shoot is preferred. For more information and to get a glimpse of her beautiful work, visit www.christiericketts.com.
