

Best Convenience Store: JJ's Quick Shop

Weakley County's Best Convenience Store has so much to offer and they happily give back to the Community that supports them.

A great day cook is on hand to prepare custom orders for breakfast and lunch and they pride themselves on the fresh convenient foods available throughout the day...grab it to go or have it served on a plate & eat there.

With their special bond to St. Jude's Children's Hospital, employees have placed a collection jar on the counter and with the support of businesses faithful customers, almost \$100 is donated to the hospital monthly.

If you're looking for additional storage or a carport, or you're moving across the country or just next door, they're your dealer as well as an authorized U-Haul Neighborhood dealer.

JJ's... your family owned Convenience Store since 1983!

"Where the Smiles :) are always FREE"
