Best Interior Designer: Claire Wade

With a flair for design, Claire Wade opened Claire & Schuster Interiors at the corner of Broadway and Main in 1999. She is currently celebrating twenty years in her location at 202 Main Street. Claire said “I have been fortunate to have worked with such wonderful clients. They have exceptionally good taste, and they are fun to work with! The process is just as rewarding as the result.”

Claire makes interior design look easy with her wellspring of ideas and her preference for listening carefully to what the client wants. No detail is too small for her attention which leads to a timeless interior that surrounds her clients with what they love. “There’s a misconception that with a designer’s help, you loose your style. I

want the completed design to represent the client, creating a look that is exactly what they wanted and more.” Claire brings to her work a Bachelors and Masters of Fine Arts in Interior Design and twenty-four years of experience in the field of design. She uses her knowledge of color, scale, and design elements to give her clients the best advice and outcome. “I am

so grateful for this recognition and to have the opportunity to work in a field I am passionate about.”

Claire set a goal coming into her twentieth year in her location to practice gratitude and purposefulness by contributing each month in 2019 to a local cause. Already, Claire & Schuster Interiors and Boutique has made contributions to: the CE Weldon Library Foundation, the Anna Kate Wenz Foundation, and the Carl Perkins Center for the Prevention of Child Abuse. Claire says, “My goal was to give back to a community that has given me so much. Being named Best Interior Designer for 2019 makes me even more thankful. I appreciate being named Best Interior Designer more than I can say”
