

Best Auto Parts: NAPA

We all have been there: you are driving along on your way to work, run errands, or see family, and you notice the check engine light appears on your dashboard. Luckily, at Napa, you can conveniently stop in, have one of their workers diagnose the problem, purchase any items you need, and if those items happen to be windshield wipers, batteries, headlights or even oil, one of their experts, such as co-owner, Brad Brewer, pictured, will happily install them free of charge. It is service like this that has won them Weakley County's Reader's Choice Awards Best Auto Parts Store. For almost 70 years, Napa has provided quality customer service and has built a reputation that has lasted with its legacy.
