# McCormick Messenger

But, Mr. Newspaper Ad ... I'm obstinate.

Why should *I* subscribe to the McCormick Messenger?

In business since 1902, the *Messenger* has served the community since before McCormick was even a county. Over a hundred years later, the *McCormick Messenger* is still the best way to keep up with local events. From County Council meetings to High School sports, if it happens in McCormick County, you'll read about it in the *Messenger*. And, the best way to get your *Messenger* is with a subscription.

Newsstands and vending machines are great, but they're prone to selling out. And, who wants to drive all the way to town just to buy a paper, anyway?

With a subscription, the news comes straight to you.

**You don't even have to leave the house!**

At newsstands, the *McCormick Messenger* retails for 75 cents an issue.

Over the course of a year, that adds up to **\$39**.

**But, an in-county subscription is only \$29 a year, saving you a whole \$10.**

And, we could *all* use an extra \$10.

And, if having the news delivered right to your door isn't good enough for you, the *McCormick Messenger* still has you covered. With an online subscription, you can have the news delivered right to your home computer or mobile device. You don't even have to *get out of bed!*

Well, golly, Mr. Newspaper Ad ... When you put it that way, it would be silly **NOT** to subscribe!

Online Only: \$30 • Print/Online Combo: \$40
