## Clean and Silver Spoon Awards announced

Submitted by  
**AARON PATRICK,**  
Environmental  
Health Specialist

The Douglas County Health Department would like to recognize the following food establishments with a "Silver Spoon Award" for a perfect inspection or a "Clean Spoon Award" for an inspection score of 95 or higher earned during the month of December, 2018; Inspections are spread over an entire year, and only the winners of December, 2018 are listed.

In 2019 the Douglas County Health Department will begin using the Illinois Department of Public Health approved 2017 Food Code. The code does not use a scored inspection and the Clean and Silver Spoon awards will be determined under this new method. In 2019 the Clean Spoon will go to all establishments found to be in satisfactory compliance with minimum local ordinance standards met, and the Silver Spoon Award will go to establishments with no violations. Each establishment will be required to post an inspection placard.

**Silver Spoon Award (Score 100%):** Joe's Pizza, ALAH High School, Brook-

stone Estates, Pizza Man of Newman, Newman Rehabilitation & Healthcare, Flesor's Candy Kitchen, Jo's Country Diner & Catering, It'll Do Atwood, 4 Way Stop

**Clean Spoon Award (Score 95 - 99):** Roselen's Coffees & Delights, Shae's Pub & Grub, Douglas County Jail, Tri-City Country Club.

The Douglas County Health Department will keep an ongoing list of Silver and Clean Spoon Award winners for the 2018 year and future years on the department's Facebook, Twitter, Google Plus, and website. In this way, the monthly list will always be available.

The Environmental Staff of the health department would welcome conversation about this program and other topics concerning the food program. We can be reached at 217-253-4137 or by email through our website, www.dchealthdept.org.
