What Christmas Means to Me

To me it makes me remember my first Christmas with my cousin and my brother's dad and my grandpa and my grandma that passed away along time ago. My cousin past when I was 7. The my brother's dad past when I was 8. And my grandpa past when I was born.

My first Christmas makes me remember because my cousin was there. My dad was there. My grandma was there. It makes me happy I got to see them there. It makes me happy when they get me a present.

The food that my grandpa cooks is good. I love his food because he puts good spices in the food. My grandma cooks good food. She cooks good pan-cakes. My grandma and grandpa make good food. My grandma and grandpa work together to make the food. My grandma and grandpa are very helpful.

When I get a present I am so excited. If my grandma and grandpa get me a present I say thank you. Then I get them a present. Then I get my cousin a baby toy for Christmas. Then my aunt takes my cousin home. Then my grandma and grandpa went home.

That is why I like spending time with my family. That is why I am thankful for the food. That is why I love opening presents.

What Christmas Means to Me

What Christmas means to me is that it reminds me how happy I am to have a family. All the family I have not seen in a while. I love to see my dad on Christmas. And I love all the cool clothes I get. I love all the good food I get to eat.

I love the Christmas reminds me of how happy I am to have a family. Without a family on Christmas I would be so sad. I'm so glad I have family to spend Christmas with. I love to spend time with my family because I get presents from my family. That is why I love to have a family.

I love that Christmas reminds me of many cloths I get on Christmas. I love the pretty sweaters I get. And the summer drecic I get too. Cloths are a good gift. I love my family.

I love all the good food I get to eat on Christmas. I get to eat mashdutatow and ham and lots of other things. I love to be thankful for the food we have. I like all the food we have on Christmas. That is what I think about food.

That is why I love my family, cloths, and food on Christmas. Christmas is the best time of the year. That is why I love Christmas.

What Christmas Means to Me

Christmas means a lot of things to me. Some reasons why I like Christmas are Jesus's birth, gifts, and visiting family. Those reasons are why I like Christmas.

Visiting family is one of the best things to do during Christmas. I really like going on hayrides at Christmas time. I also like going to bugshows. Lastly I like going on bug rides. That is why I like spending time with family on Christmas.

Gifts are a fun tradition to me. I like opening them on Christmas morning. Also I like giving gifts to other people. Lastly I like wrapping gifts and giving them to people. That is why I like gifts on Christmas.

What Christmas Means to Me

What Christmas means to me is that we spend time with family. Also get good presents. Then, eat good food.

Spending time with family makes me happy. I get to see relatives that I haven't seen in a long time. My family is funny. My family is nice. I love my family.

My favorite part about getting presents is that you never know what you will get. My family gets me presents. Santa also gets me presents. Presents are fun to get. I like presents.

Another thing I like about Christmas is the food. I like the food we eat at Christmas time. Usually we have ham. My mom and dad cook the food. My whole family eats the food.

Those are the three reasons I like Christmas. There are more reasons I like Christmas. Those are the main reasons. Christmas is not my favorite holiday. I like Christmas.

What Christmas Means to Me

I get to spend time with my family. We eat yummy food. I get to open presents. Every Christmas I go to Texas. I help put up decorations. Most of my family lives in Texas. Me and my sisters play around a lot. We play hide and seek and play with the dogs.

I love all the food my family cooks. I love the chicken. My mom always makes gingerbread cookies. This time I made them. I also made royal icing to put on them.

I really like opening my presents. Since my grandparents are divorced I open presents on Christmas Eve and Christmas. I open presents at my house first. My grandmas presents are the best. I got a piano from her once. She will do anything for us.

I love spending time with my loved ones. Eating amazing food and opening presents. That's what Christmas means to me.

What Christmas Means to Me

Spending time with my family. Opening presents. Eating yummy food.

The day before Christmas eve me and almost all my family gather around. First we sing "We Wish You a Merry Christmas." Next we play secret santa and go by the presents. Then we exchange presents. Last we all go to bed and wait for Santa to come.

On Christmas eve we all wake up by yelling that it is Christmas. First we open presents. The best part is you exchange the gives to we switch and swap.

The best part of Christmas is the yummy food. My examples like chicken, deer and even turkey. That is what Christmas means to me every year. I love
